

## SECOND SEMESTER BEGINS; PRESIDENT BURKE RETURNS

Second semester classes began Wednesday with over 300 new students on campus and Dr. Joseph Burke returning to the president's office. Admissions director David Traux said Tuesday that although only 300 paid deposits had been received by Friday, he expected that closer to 350 new students would register. Traux said that approximately 11% of the incoming students are freshmen, 29% are re-admitted students, and 60% are transfer students. He added that these figures are comparable to last year's.

Dr. Burke has returned to the presidency after a five-month sabbatic leave which began August 1. Burke spent one month of that leave as a Rockefeller Foundation Scholar-in-Residence at the foundation's study center in Bellagio, Italy, working on his book *Coping With The Modern College Presidency*.

## BURKE TO BRIEF FACULTY ON PROPOSED STATE BUDGET

President Joseph Burke will brief college faculty members on the proposed New York State Executive Budget on Tuesday, January 19 at 4 p.m. in CL 200. Burke will receive information on Governor Carey's budget at a meeting of State University presidents on Friday. Carey is expected to present his budget to the Legislature on Tuesday.

## FINALS WEEK INCLUDED IN 1982-83 ACADEMIC YEAR SCHEDULE

A college-wide examination period has been adopted by the Faculty Senate for inclusion in the 1982-83 academic year schedule. The examination period will be included in the final week of each semester, with scheduled periods being used for examinations or final class sessions, according to the individual professor's prerogative.

Residence halls will open next fall on August 29 and classes will begin on Wednesday, September 1. Winter commencement will take place on December 17.

Second semester classes will begin on January 12. Spring break will run from March 4 through March 20, and the semester will end on May 15 with commencement.

## FOUR DISTINGUISHED VISITING PROFESSORS TO BE ON CAMPUS THIS SEMESTER

Four Distinguished Visiting Professors will spend time on the Plattsburgh campus this semester, teaching, assisting in research projects, and lecturing. Claudio and Christina Luchan, who are both associated with the University of Florence, Italy, will be in residence for four weeks during February and March. Claudio Luchan is a bio-inorganic chemist and Christina Luchan is a Renaissance Art specialist.

Dr. Dian Fossey, who will be on campus from March 22 through April 27, is well known for her studies of gorilla behavior. Fossey's work in Rwanda's Parc des Volcans has been sponsored by National Geographic. She is presently a visiting professor in neurobiology and behavior at Cornell University.

Winner of a Nobel Prize in Physics in 1963, Dr. Eugene Paul Wigner is emeritus Thomas D. Jones Professor of Mathematical Physics at Princeton University. Wigner will be in residence from April 18 through May 16.

## FORTY-FIVE STUDENTS NAMED TO WHO'S WHO

Forty-five Plattsburgh State students have been selected for inclusion in the 1982 edition of *Who's Who Among Students in American Universities and Colleges*. The students were chosen on the basis of their academic achievement, service to the community, leadership in extracurricular activities and future potential.

The students chosen for the edition are: Marie E. Barber, Cynthia Ann Bilow, Cynthia Boadway, Pierre Brunet, Joseph Candido, Mark Carrk, Mark Cherry, JoAnne Clark, Diane Cossaboon, James DeLuca, Abby Fisher, Rexford Ingerick, III, William Jacobsen, Ross Jerome, Margaret King, Laura Kolberg, Anita Larsen, Laura Lavan, Lynn Lisy, Cecelia Manley, Timothy Mante, and Carolyn Martens.

Also, M. Melanie Meacher, Karen Mehling, Steven Miller, Gary Mitchell, Robert Nagel, Sharon Northrup, Gregory O'Brien, Marian Pagano, Paul Panzl, Linda Pease, Joan Platania, James Prehoda, Michael Rispoli, June Rosate, Brian Ruede, George Saives, Timothy Singer, Theresa Siroky, Seth Stein, Elisa Tornatore, Lucy Winchester, Jeffrey Woodruff and Rick Young.

## FEINBERG LIBRARY HOOKS UP NEW COMPUTER TERMINAL

A new computer terminal is now operational in the Feinberg Library, according to Head of Technical Services Patricia Bentley. The terminal, is connected to the On-line Computer Library Center in Dublin, Ohio. Although the OCLC connection is not a new one this terminal is a state-of-the-art machine, which Bentley says will lead to better services for library users.

Bentley explained that computers have been used on campus for six years in interlibrary loans, cataloguing and acquisitions. The OCLC connection gives Feinberg Library users access to over three and a half million books, records, and journals in more than 1,200 member libraries located in all fifty states and Puerto Rico.

## PHOTOGRAPHS BY ROGER WILLIAMS ON EXHIBIT IN MYERS GALLERY

An exhibition of photographs by Roger Arrandale Williams, associate professor of art, is on display in the Myers Fine Arts Gallery through January 31. Formally titled "Photographs: 1975-81," the images represent six years of work. The exhibition includes 120 images and encompasses a range of photographic processes from contemporary color and black-and-white silver prints to alternative and obsolete methods of photographic image-making, such as cyanotypes, platinum and palladium prints.

Williams will be giving gallery slide-talks on January 21 at noon and January 24 at 2:30 p.m. for the college community and the public.

## STUDENT JOB CLEARINGHOUSE SCHEDULE SET

The spring semester schedule for the Student Job Clearinghouse at the college has been announced by coordinator Laura Scoones. The clearinghouse, which is located in room 205 of the College Center, will be open Monday, Wednesday and Friday from 10 a.m. until noon, and on Tuesday and Thursday from 1 p.m. to 4:30 p.m.

Over 100 students are listed and available for employment through the clearinghouse, offering a ready-made labor pool for employers in the Plattsburgh area who have full or part-time positions to offer or for local homeowners with odd jobs to be done. Anyone interested in hiring a student may contact the center by calling 564-2182 during operating hours.

## FINAL APPEAL FOR UNITED WAY

Dr. Griffin Walling, campus coordinator for the 1981 United Way Fund Drive, has made a final appeal for contributions to the drive. Walling said that nearly \$23,000 has been donated or pledged as of January 1, which surpasses last year's campaign by over \$500. However, the campus drive is still a few thousand dollars short of the goal. Walling urged all members of the campus community who have not yet contributed to the United Way drive to do so within the next few days.

CARDS WIN ONE, LOSE ONE HOLIDAY TOURNAMENT

Herb Hammond’s hockey Cardinals were the only Plattsburgh State athletes in action over the holidays. At the “I Love New York Tourney” in Lake Placid December 29-30, the team was the only Division II school in the four-team tourney. Although they played well, the Redbirds dropped their first game to Cornell, 5-1, and lost the consolation match to Boston College, 6-2. While 1981 came to a dismaying end, the new year start was reminiscent of the 1980-81 season. The Cardinals won the Williams Tourney January 2-3 by bouncing Holy Cross, 7-2, and then defeating host Williams College 7-4, in the championship contest. Forward Gaetan D’Anjou, defenseman and team captain Rick Young, and netminder Mike Vida were named to the all-tournament team. The holiday action brought Plattsburgh State’s overall record to 10-10-1 and its Division II mark to 8-4-1.

The Cards are at home this week, facing Merrimack on Wednesday and Oswego on Saturday. Saturday’s game will mark the final appearance of Pat Kane, the original Burghy. The Cards’ mascot debuted just a year ago at the last home match-up between PSUC and the Great Lakers.

Other teams return to action as the men’s basketball team meets Castleton State in Vermont, the women’s team travels to Utica College of Technology and the swim teams meet St. Michael’s.

CAMPUS BEAUTIFICATION COMMITTEE PREPARING RECOMMENDATIONS

Three subcommittees of the Campus Beautification Committee have completed their inspection of various areas of the campus and are working on drafts of their recommendations, according to committee chairperson Derek Allen. Allen explained that the three subcommittees dealt with building interiors, building exteriors, and grounds and landscaping.

Following the completion of the reports, the full committee will review the subcommittee recommendations and present them to President Burke. Allen expects the full report to be complete by early March.

CARDIAC TEACHING DAY SET FOR FEBRUARY 25

The department of nursing, together with the American Heart Association and PACCT (Parents and Cardiac Children Together) will sponsor a Cardiac Teaching Day on campus on February 25. Dr. George Collins, associate professor at McGill University and chief pediatric cardiologist at Montreal Children’s Hospital will be the featured speaker.

The seminar is aimed at school nurse teachers, administrators, local doctors and nursing students and is intended to teach them how to handle children with heart problems.

The topics to be covered include the role of a school administrator in relation to handicapped and convalescent children with congenital heart problems, legal considerations and exercise potential of these children. An open session on the newest techniques in diagnosis and surgery will conclude the day.

For further information, contact Roberta Spencer in the nursing department.

## EXECUTIVE BUDGET, IF APPROVED, TO FORCE SEVERE CUTS IN FACULTY AND STAFF

The 1982-83 Executive Budget, if approved by the State Legislature, will force severe cuts in the faculty and staff of the State University College at Plattsburgh.

President Joseph C. Burke, in explaining the budget at a faculty meeting on Tuesday, said that the Executive Budget recommends \$409,400 less than needed to continue to fund currently filled positions at the college. "Implementing this budget," said Burke, "would result in a loss of between thirty and thirty-four positions that are now filled."

Burke said that while the State University recommended a budget increase for Plattsburgh of 5.7%, the Executive Budget recommends an increase of only .7%. He noted that the current annual inflation rate is more than 9%.

Since 1973, the college has lost 79 positions, a decrease of 9.4%, while its enrollment has increased by 18.4%. The proposed additional cuts, said Burke, "may force the College to restrict the access of students to our campus and could have a serious effect on the quality of our programs."

He added, "The Executive Budget document recognizes that our College already operates at a cost per student which is the lowest of any of the senior arts and science colleges in the SUNY system. I would hope that the legislature would provide sufficient funding so that the College will not have to further reduce its already depleted faculty and staff."

In addition to cuts in personnel, the budget:

- recommends a room rent increase of \$150, which affects approximately 3,000 students on the Plattsburgh campus.
- eliminates all foreign student tuition waivers, which are presently held by 40 students.
- reduces the SUNY Supplemental Tuition Assistance program by \$38,000, affecting 190 students.

## EXHIBITION OF WORKS BY NANCY SPERO TO OPEN

Paintings and drawings by New York City artist Nancy Spero will be on exhibit in the Rockwell Kent Gallery Alcove from January 21 through February 1. The exhibition is the first joint effort of the Plattsburgh State Visual Artists Series and the Visual Artists Program at the University of Vermont.

Spero's work contains psychological, social and sexual content, as well as a frequent intermingling of words and images, according to Dr. William Crosby, co-director of the PSUC Visual Artist Series. She did an anti-Vietnam-war series during the Sixties, and more recently her work has been concerned with historical and contemporary struggles and roles of women. Spero received her B.F.A. from the Chicago Art Institute and later studied at the Atelier Andre L'Hote and the Ecole aux Beaux-Arts in Paris.

The artist will be on campus on Monday, February 1 for an 8 p.m. slide lecture presentation on her art work.

## TAP, SOCIAL SECURITY CHANGES ANNOUNCED BY FINANCIAL AID OFFICE

The Financial Aid Office has received information pertaining to new Tuition Assistance Program regulations and Social Security Benefits. Effective this semester, students who received TAP awards prior to 1981-82 will not be eligible for an award should they withdraw from all of their courses before the termination of the semester. Suzanne Sokolowski, Director of Financial Aid, explained that until now, the state has paid TAP awards if full tuition liability was incurred as of the fifth week of classes. However, students will now be liable for repayment of any TAP or Regents Scholarship money received for a term in which they withdraw from all courses before the end of a semester.

Sokolowski also announced that as a result of passage of the Omnibus Reconciliation Bill by Congress, Social Security benefits will be phased out for current students over the next four years. Students who were eligible for Social Security benefits in August 1981 will not receive them this summer, and payments will be reduced by 25% during each of the next four years until age 22 or graduation from college, whichever comes first. She added, students who become entitled to benefits for September 1981 or later will receive checks only through April, 1982.

Students are welcome to meet with a Financial Aid advisor this semester to discuss alternatives to financing their college education.

## PLATTSBURGH STATE LECTURE SERIES TO PRESENT LECTURE BY BRAGA

"Brazilian and New England Abolitionist Poetry" will be the subject of the next Plattsburgh State Lecture Series offering at 7:30 p.m. on January 27 in Room 106 of Hudson Hall. Dr. Thomas Braga, associate professor of foreign languages, will review the nineteenth century poetry of several Brazilian and New England abolitionists and compare their treatment of various themes, such as the moral and physical portrait of slaves. Castro Alves, one of the major figures of Brazilian romanticism, John Greenleaf Whittier, and Henry Wadsworth Longfellow will be among the poets considered. Braga will also discuss anti-slavery songs, particularly a collection entitled "The Anti-Slavery Harp," which was published in Boston in 1854.

## FOUNDATION ANNUAL MEETING TO BE HELD JANUARY 28

The annual meeting of the Plattsburgh College Foundation, Inc. will be held on January 28 at 4:30 p.m. in the College Center Orchard Room. The meeting agenda includes the introduction of new members of the organization representing the community, alumni, and faculty and students, as appointed by the College Council, Alumni Association and President Joseph C. Burke, respectively; a financial report for the 1981 fund-raising year; reports by the standing committees on Annual Giving, Deferred Gifts, and Bequests and Investments; election of Directors for 1982 and proposed bylaw amendments.

## WEEKLONG SYMPOSIUM ON NUCLEAR WAR AND THE ARMS RACE TO BE HELD

A weeklong, campus-wide symposium on "Nuclear War and the Arms Race" is scheduled for February 1-5. Among the activities planned for the seminar are films, panel discussions, and a series of public talks. Featured speakers include Mr. Marcus Raskin, co-founder of the Institute for Policy Studies and a well-known lecturer on foreign policy, political philosophy and education; Mr. David McCauley, Vermont Area Field Representative for American Friends Services; and Major General Guy Hecker, Office of Chief of Staff, USAF, and Director of the Office of Legislative Liaison. A complete schedule of activities will appear in the next Weekly calendar. For more information, call Dr. Edward Schaffer, coordinator of the symposium, at 564-3001.

## SPEECH AND HEARING SEMINAR SLATED FOR JANUARY 29

Dr. Derek A. Sanders, professor of audiology at the State University Center at Buffalo, will be the guest lecturer at a seminar scheduled for January 29 in the College Center Ballroom. The topic for the seminar is auditory perception of speech-language and its relationship to educational management-counseling of problems of the hearing impaired person and his family. The seminar, which will begin at 8:30 a.m. and last until 3 p.m. is jointly sponsored by the Department of Hearing and Speech Science and the SUNY Faculty Exchange Scholar Program. There will be no registration charge for the program. More information may be obtained from the department of hearing and speech science at 564-2170.

**PLATTSBURGH TO HOST STATE CHAMPIONSHIP TRACK MEET**

The first New York State AIAW Indoor Track Championship meet will be held on the Plattsburgh State campus on February 27. Track and field coach Dick Fischer said that as many as 30 Division I, II, and III schools may send representatives to compete in eighteen track and field events.

Fischer has issued a call for volunteer officials for the AIAW meet and for three other home meets (on January 30, February 19, and February 27). Anyone interested in acting as a timer, field official, or inspector may contact him at Memorial Hall, 564-3144.

**CARDINAL SPORTS REPORT**

The Plattsburgh State hockey Cardinals dominated last week's sports news with their 9-2 thrashing of archrival Oswego State. It was also a big night for Pat Kane, who made his last appearance as Burghy, the Plattsburgh State mascot. The Redbird skaters were undefeated last week. Besides their rout of the Great Lakers, Herb Hammond's charges dumped Division II East power Merrimack 9-7. Dennie Poulin had five goals and two assists for the week, including a hat trick against Merrimack. In men's hoop play, the Cardinals dropped a 76-63 contest to St. Lawrence, but bounced back to nip Castleton State 64-62 in overtime. The women's basketball squad was on opposite ends of blowouts, drubbing Utica Tech by 16 points and then falling to Hamilton by 30. Plattsburgh State's swimmers suffered a twin setback to St. Michael's. The men's team, which had defeated the Purple Knights in December, lost 58-55. The Card women stayed close most of the meet but lost 73-59. In track and field, Olympia Clark won her second long jump title in as many meets, leaping 16 feet 4¾ inches at the University of Vermont's Green Mountain Relays. Clark also ran the lead-off leg of PSUC's 4x400-meter relay team, which placed second. Dan Gambino was the top Card finisher in men's competition, finishing third in the 50-meter hurdles in 7.3 seconds.

**weekly notes**

**Dr. Mark Cohen**, professor of anthropology, has accepted a three-year appointment as coordinator of the behavioral science program . . . "Holiday Music," a music review by **Dr. Angelo La Mariana**, professor of music, appeared in the December, 1981 issue of "The School Musician." . . . **Dr. Roy Malpass**, professor of behavioral science, has recently begun a three-year term as editor of the *Journal of Cross-Cultural Psychology*, an official publication of the International Association for Cross-Cultural Psychology . . . **Dr. Thomas Morrissey**, associate professor of English, has been appointed one of three co-editors of the SUNY Council on Writing's annual "Composition Review." The Review will reprint significant articles on composition, introduced by an original paper outlining the history of research in composition and assessing its current status. The other two co-editors are Professor James Collins, University Center at Buffalo, and Professor William McCleary, Genesee Community College . . . **Dr. Philip Reines**, associate professor of communications, attended the first regional workshop sponsored by the National Institute of Alcohol and Alcohol Abuse and the New York State Division of Alcohol and Alcohol Abuse. Reines, who has been appointed a media consultant for the group's 1982 public education campaign, delivered a lecture on access to the media for the purpose of disseminating information on alcohol and alcoholism.

## FOUNDATION RAISES RECORD \$126,957 THROUGH ANNUAL GIVING

For the tenth consecutive year, the Plattsburgh College Foundation achieved a new high in annual giving in 1981. In announcing the receipt of a record breaking total of \$126,957 in donations, Foundation President E. Glenn Giltz said, "The accomplishment is attributable to the generosity and hard work of a great many volunteers and donors who gave unsparingly of their time and resources in support of our programs to generate funds primarily for scholarships for students at Plattsburgh State."

Leading all categories for giving was the Business/Corporate campaign with income totaling \$49,655, representing an increase of 54 percent in comparison with 1980's record return. The campaign, reorganized vastly from efforts of previous years, received an outstanding program award last fall from the SUNY Association of Campus-Related Foundations. Forty-three new firms joined the Foundation fold during 1981.

The first ever phon-a-thon campaign helped boost the 1981 Alumni Fund to a 25% increase over last year's drive total, with a 60% increase in the number of alumni contributing. Well over 1,000 alumni donated \$29,651 to date, with some phon-a-thon pledges still being received.

The Library Fund, created in 1980, gained momentum this year as 24 individuals contributed \$1,181 toward the purchase of books, reference works and other materials.

The Cardinal Booster Club, composed of alumni, area businesses and other friends of Plattsburgh State who share a commitment to fostering quality in intercollegiate athletics, received \$6,505 in donations.

The Foundation's Community Friends category raised \$38,808 this year, which includes a \$20,000 contribution from the Lewis G. Robinson Trust. The Robinson Trust gift was the largest single gift received by the Foundation during 1981.

President Joseph C. Burke commended the many volunteers who participated in the 1981 annual giving campaign under the leadership of drive chairman Curtis E. Shipman. "The results are impressive," said Burke. "However, even more impressive is what they mean to our College and to the young men and women who have come to our campus to learn."

The annual meeting of the Foundation will be held tomorrow at 4:30 p.m. in the Orchard Room in the College Center.

### FIRST FOUNDATION SCHOLARS MEETING EXPECTATIONS ACADEMICALLY

The ten original Plattsburgh College Foundation Scholars who began their undergraduate careers here as freshmen last September completed the fall term with excellent grades, individually and collectively. Five of the ten posted perfect 4.0 grade point averages (gpa); nine made the Dean's List (3.5 gpa minimum), with the tenth less than two-tenths shy of making the List; and the gpa for the ten combined was 3.8.

The students who compiled 4.0 averages, their hometowns and major fields, are: Stephen Burdeau, Plattsburgh, computer science; Kenneth Edwards, Peru, computer science; Robert Szustakowski, West Seneca, environmental science; Beth Thomas, East Greenbush, medical technology; and Patricia Trudeau, Ticonderoga, speech and hearing handicapped education.

The College Foundation Scholars program was approved by that organization's Board of Directors last winter. The ten were selected by a faculty committee from more than 150 candidates nominated by high school guidance counselors on the basis of their scholastic performance and their prospects for achievement here. They are attending Plattsburgh as recipients of full-tuition scholarship awards.

### ARTICULATION AGREEMENT REACHED WITH COBLESKILL

An articulation agreement between the College and the Agricultural and Technical College at Cobleskill has been finalized, according to Dr. Richard Robbins, associate vice president for academic affairs. Robbins said the agreement guarantees that students who transfer to a parallel program at Plattsburgh after completing an associate's degree will be able to complete bachelor's degree requirements within four semesters. A transfer guide for advisors at Cobleskill has been published to assist them with determination of appropriate coursework for students planning to transfer. A shorter brochure is available for students. Robbins said that approximately 50 students transfer from Cobleskill to Plattsburgh each year.

Robbins said that this is the second articulation agreement to become operative. An agreement was reached with Clinton Community College last year. He added that similar agreements are being concluded with North Country Community College, Adirondack Community College, Hudson Valley Community College, and several others around the state.

### RESPONSE SOUGHT FROM PROSPECTIVE PARTICIPANTS IN TRAINING COURSE

The Office of Personnel and Affirmative Action is requesting by this Friday the names of nominees among classified staff who will register for a 12-week supervisor training course to be conducted at 9:30 a.m. on Tuesdays and Thursdays beginning on February 9 and concluding on April 29. The course is designed to provide participants with the knowledge, skills and techniques for self-development that will enable them to relate effectively to the campus organization and to subordinates.

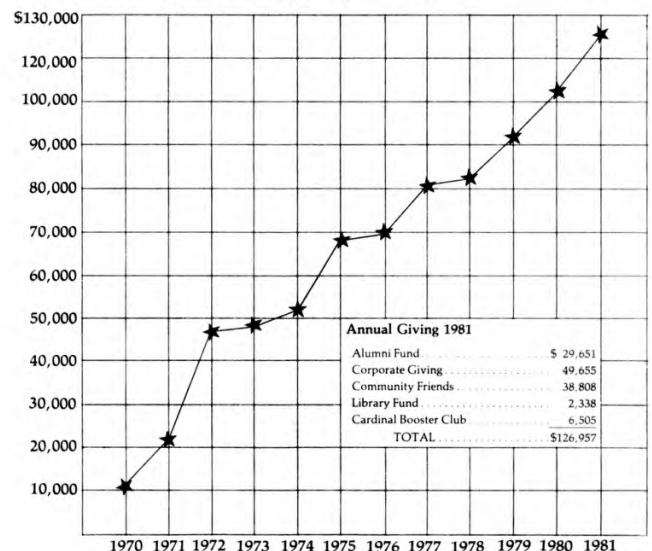

The course will focus on topics such as the role of supervisors, management and communication skills and effective counseling, with emphasis on employee motivation and decision-making. Class sessions will include lecture and laboratory, with the latter consisting of discussion of home assignments, case studies, role playing and films. Further information may be obtained by contacting the Personnel Office at 3062.

### RECEPTION TO HONOR INGRID KYRITZ ON OCCASION OF RETIREMENT

Members of the campus community are invited to join the staff of Feinberg Library on Friday at a reception in honor of Ingrid Kyriz, who has retired from service after 14-plus years as head of the library's periodicals microform area. The reception will be held from 2 to 4 p.m. in the Cardinal Lounge of the College Center.

"Ingrid will be sorely missed at the library," commented Robert Burton, director of libraries, "where her meticulous attention to detail has benefitted several generations of Plattsburgh State students and faculty."

Annual Giving — 1970 - 1981

## GRANT ACTIVITY FOR LAST QUARTER SHOWS INCREASE

Information compiled by the Office of Graduate Studies and Research indicates that faculty generated 50 grant applications requesting \$1,282,810 in external funding during the period September 1 through December 31 of last year. The totals were higher than those for the same period in 1980, reports Dr. Paul Roman, Dean of Graduate Studies and Research.

## BUTTERFIELD, LUBIN AWARDED GRANTS BY CANADIAN GOVERNMENT

For the second consecutive year, two Plattsburgh faculty members have been awarded Faculty Enrichment Grants from the Canadian government. Dr. Bruce Butterfield, professor of English, will receive support to develop a course focusing on Canadian art and music, and Dr. Martin Lubin, professor of political science, will develop a course on Canada-United States relations. Both men are longtime members of the Canadian Studies faculty.

Dr. Richard Beach, director of the Canadian Studies program, said the grants "bring additional credit and recognition to our program." He explained that during the past three years, five faculty members have applied for the Faculty Enrichment Grants and all five have received the funding requested. Beach pointed out that applications are submitted from professors from universities such as Yale, UCLA, Michigan State, and Duke, and added that, to his knowledge, no other college has achieved the success rate of our faculty.

Former recipients of the grants are Dr. Philip DeVita, associate professor of anthropology, Dr. Fritz Kissner, associate professor of environmental science, and Dr. Edwin Hamblet, associate professor of foreign languages and literature.

Harry W. Mowry, vice president and general manager of Harris Corporation Bindery Systems Division, and Dr. Herman Doh, professor of English at the College were re-appointed as College Council and faculty representatives respectively.

Mrs. Brandell has been active with the Foundation's award-winning Business/Corporate Campaign for the past two years. She also serves on the St. John's High School Board of Education. Mrs. Judge has served on the investment committee for three years and is a member of the CVPH Corporation. Mr. Manning, chairman of the investment committee, is president of Bluff Point Golf and Country Club, Inc. He is also a member of the CVPH Medical Center Board of Directors. Mrs. Murray and her husband, William, have both been active with the Foundation for several years. Last year, she served on the Business/Corporate Campaign. Mr. Whitbeck, a 1970 graduate of the College, is a real estate broker with The Agency. He has been a member of the Foundation for three years and has served on both the Business/Corporate and the individual giving committees. Prior, a student business/communications major from Scarsdale, New York, is President of the Student Association.

Also serving on the Foundation Board for the current year are: E. Glenn Giltz, Curtis E. Shipman, Richard H. Cronin, Clyde A. Lewis, Martin D. Mannix, Jr., Michael W. Murray, and Jacqueline A. Walker. Ex-officio members of the board include College President Joseph C. Burke; Louis E. Wolfe, chairman of the College Council; Daniel Takacs, president of the Alumni Association; Dr. George W. Angell, president emeritus of the College; and Fred P. Merrihew, president emeritus of the Foundation.

Foundation membership now includes about 100 persons representing College faculty and administration, alumni, the student body, the College Council and residents of the North Country. The primary objective of the Foundation is to raise funds for scholarships for students at Plattsburgh State.

## MC DONAGH NAMED SOCCER ALL-AMERICAN

Although the soccer season has long been over, another accolade has just been accorded to Cardinal soccer player John McDonagh. "Johnny Mac" has been selected as a back to the National Soccer Coaches Association of America's 1981 Division III All-America first team. The London, England native was the top vote-getter among the backs honored.

The All-America award is the third honor this season for the sophomore international business major. McDonagh was a back on the All-SUNYAC first team and the NSCAA's Division III All-New York State first team. He received more votes than any other back on both teams. McDonagh also made the SUNYAC first team in 1980.

McDonagh scored four goals and three assists for the 12-4 Cardinal booters last fall, but his value to the team was in his defensive play and in his generalship on the field. "Johnny Mac is naturally an attacking midfielder," according to Card coach Uwe Meyer, "so for him to have made the adjustment to this defensive position well enough to be recognized by soccer coaches as the best back in Division III is quite an achievement."

## FORENSIC TEAM OPENS SEMESTER ON SUCCESSFUL NOTE

Led by Roger Sadler and two novice debaters, the college's forensic team captured second place in the annual Collegiate Forensic Association Winter Tournament last weekend. Twelve teams were entered in the tournament.

Sadler added another pentathlon title to his credit, beating out twenty-six other competitors, with first place finishes in three events. Nora Finn was a double winner and Betty Chan, Ray Remillard, Linda Suchow, Jim Sandford and Janet Spinella also placed in the top five in various events.

Two novice debaters, Robert Solarski and Mark Schneider, competing in their first tournament, topped the field with a perfect record of four wins, no losses, and placed second and third, respectively, in individual debate awards.

The forensic team will compete in six more meets this semester before moving into the state and national championship tournaments.

## COLLEGE COUNCIL TO MEET

The College Council will meet at 3:30 p.m. on Thursday, February 4 in the 10th Floor Board Room of the Kehoe Building. The impact of the 1982-83 Executive Budget will be discussed with Senator Ronald Stafford and Assemblyman Andrew Ryan.

Application packets are available in the EOP office, room 118 College Center, and at the College Center desk; these should be completed by April 15, 1982.

## FOUNDATION RECEIVES \$75,305 BEQUEST FROM ELIZABETH HAWKINS KEHOE

The Plattsburgh College Foundation has received a bequest of \$75,305 from the estate of the late Mrs. Elizabeth Hawkins Kehoe of Plattsburgh. The bequest, one of the largest received to date, will create a scholarship fund in honor of Mrs. Kehoe's late father, Dr. George K. Hawkins.

E. Glenn Giltz, president of the Foundation, and college president, Joseph C. Burke, accepted the bequest from Senator Ronald B. Stafford, executor of the Kehoe estate. Giltz expressed his appreciation to Mrs. Kehoe, saying, "She was a very special friend of the College and its students throughout her life, and her generosity insures that needy young men and women will be able to continue their education." He added, "Her gift also recognizes that the long-term viability of the Foundation is dependent upon endowment funds."

Dr. Hawkins was principal of the Plattsburgh Normal School from 1898 to 1933. The college's oldest building is named in honor of Dr. Hawkins.

Mrs. Kehoe, a 1914 graduate of the Normal School, served as its executive secretary for many years. Mrs. Kehoe married Harry P. Kehoe, a prominent Plattsburgh attorney and a member of the College Council for two decades. The Kehoe Administration Building is named in their memory.

President Burke remembered Mrs. Kehoe as "a much-loved friend and alumna, a benevolent advocate of the college's educational purpose, and a kind and gracious women." He added, "The College's 'first lady' with this generous gift, continues to inspire our faculty, students, and alumni."

Senator Ronald Stafford presents Kehoe bequest to President Burke, Foundation President E. Glenn Giltz and Foundation Executive Director Don Garratt.

## DISTINGUISHED VISITING PROFESSORS FROM ITALY BEGIN CAMPUS STAY

Drs. Christina and Claudio Luchinat of Florence, Italy, have arrived on campus for a one-month stay through the Distinguished Visiting Professor Program. Dr. Christina Luchinat is an expert in the field of art restoration. She presently holds a position in Bologna as a scientific researcher and director of restorations in the field of wall painting, wall sculpture, and floor and wall mosaics for the Ministry for Preservation of Historic and Artistic Wealth.

Dr. Claudio Luchinat is a researcher at the University of Florence in the field of inorganic and bioinorganic chemistry. He has authored over 40 publications in this field.

The Luchinats will be on campus through the first week of March and have several lectures scheduled, individually in their fields of speciality and together on the subjects of two cultures and terrorism in Italy. Their lectures will be listed in the WEEKLY calendar of events.

## FOUNDATION ELECTS OFFICERS

E. Glenn Giltz has been re-elected for a sixth term as president of the Plattsburgh College Foundation. Giltz, president of Northern Insuring Agency, Inc., assumed the presidency of the non-profit organization in the summer of 1976. Under his leadership, the Foundation's annual giving program increased from \$70,601 in 1976 to \$126,957 in 1981.

Elected vice-president at the Board of Directors' first meeting of 1982 was Curtis E. Shipman, president of the Keeseville National Bank. Shipman joined the board of directors last year and was chairman of the 1981 annual giving program. Also re-elected were Mrs. Olive M. Flynt, secretary, and Bernard J. Seawell, treasurer. Donald L. Garratt was re-appointed executive director of the Foundation.

Giltz

Shipman

Three persons were named to the executive committee: Clyde A. Lewis, Martin D. Mannix, Jr., and Shipman. Giltz and Plattsburgh State President Joseph C. Burke also serve on the committee. James E. Keable was re-appointed as legal counsel to the Foundation. Three standing committee chairpersons were selected at the meeting. Shipman will head the Annual Giving Committee, Lewis will chair the Deferred Giving Committee, and William J. H. Manning will lead the Investment Committee.

## THREE ART EXHIBITIONS OPEN ON CAMPUS

Three exhibitions have opened this week in the three gallery areas on campus, according to Gallery Director Edward Brohel. "The New York Landscape," in the Myers Fine Arts Gallery, is an exhibition of poems by twenty SUNY poets with visual responses by twenty SUNY artists.

Works by two Plattsburgh faculty members, William Klock and Robin Brown, are included.

Canvas drawings and paper paintings by Edwin Owre and Francis Hewitt are on display in the Rockwell Kent Gallery Alcove. Owre and Hewitt are members of the University of Vermont art faculty. This show is the first in an exchange program planned between the colleges.

"Please Post," in the Myers Lobby, is a collection of posters produced within the SUNY system.

## BRAGA PUBLISHES POETRY VOLUME

Dr. Thomas J. Braga, associate professor of French in the department of foreign languages and literature, recently had a volume of his poetry titled *Portingales* published by Gavea-Brown in association with Brown University's Center for Portuguese and Brazilian Studies.

A native of Fall River, Massachusetts and a descendant of Portuguese fishermen from the Azores, Dr. Braga explains his poetry as lyric attempts to record metaphorically the experiences of Portuguese immigrant fishermen, farmers, and factory workers and thier American-born offspring in a New England coastal setting extending from Gloucester to Provincetown and New Bedford to Newport and Providence where thousands of Portuguese have settled since the seventeenth century. Copies of *Portingales* are on sale at the College Bookstore.

## HUMAN SERVICES DAY SCHEDULED FOR TWO-YEAR COLLEGE STUDENTS

Students and transfer counselors from eleven two-year colleges have been invited to attend a Human Services Day at the College on Friday, February 12. Dr. Richard Robbins, associate vice president for academic affairs, said the presentations during the day will deal with career opportunities in Human Services, and will also provide information about programs at the College in Child and Family Services, and Sociology with options in Human Services or Criminology. Meetings with faculty will also be arranged for students interested in areas such as psychology, anthropology and behavioral science.

The Educational Opportunity Program (EOP) is now accepting applications for **peer tutor/counselors** in its 1982 Summer Program. Application packets are available in the EOP office, room 118 College Center, and at the College Center Desk; these should be completed by April 15, 1982.

**Graduating seniors** interested in applying for the Herbert H. Lehman Fellowship for graduate study in New York State leading to a degree in the social sciences, public affairs, or international affairs may obtain information from the Office of the Dean of Arts and Science. Applications must be submitted by March 11, 1982.

The **Feinberg Library** announces several changes related to Special Collections. Joe Swinyer will assume the responsibility for Special Collections with the government documents collection being made administratively a part of that unit. Saturday hours will be available from 1 - 5 pm whenever the Feinberg Library is open. Reference assistance will be available Monday - Friday from 2 - 5 pm as well as 1 - 5 pm on Saturdays.

**Education students** applying to EDU 494, 495 or 497 (Block III, Student Teaching) for 1982-83 are to report to the small auditorium in Hawkins Hall as follows: Wed., 2/17, 4:00 pm — elementary, N-9 and special education majors. Thurs. 2/18, 4:00 pm — secondary education — social science, English, math and science majors — also, health education and speech and hearing majors. All students unable to attend due to class conflicts should report to the Student Teaching Office. The deadline for applying for student teaching for 1982-83 is FEBRUARY 27, 1982.

## TEN FACULTY MEMBERS RECEIVE SUNY RESEARCH GRANTS TOTALING \$31,310

Ten members of the College faculty have been awarded Faculty Research Fellowships and Grants-in-Aid by the State University Research Foundation. Dr. Paul Roman, Dean of Graduate Studies and Research, announced this week that funding for the ten projects totals \$31,310.

Recipients of this year's grants and titles of their projects are: Dr. Donald J. Bogucki, professor of geography, "Remote Sensing of Adirondack Alpine Ecosystems"; Jeffrey Broadbent, assistant professor of sociology, "Cross-Cultural Analysis of the Context of Policy-Making"; Dr. Robert M. Croskey, assistant professor of history, "Relationship of Ivan III's Muscovy to the Crimea: A New Look"; Dr. John Gottschall, assistant professor of political science, "Carter's Judicial Appointments; Did They Make A Difference"; Dr. Padmini Gulati, assistant professor of geography, "Future Directions in Human Services in New York State"; Dr. Bryan Higgins, assistant professor of geography, "Planning Intentions and Community Development"; Michael Nugent, assistant professor of environmental science, "Nitrofication in a Northern Hardwood Forest Soil"; Dr. Ranjan Roy, assistant professor of mathematics, "Entire Functions Satisfying Linear Differential Equations"; Ward Shaw, assistant professor of business and economics, "Effect of Endogenous/Exogenous Factors on Accountings Changes"; and Dr. Robert Withington, Jr., associate professor of business and economics, "Financial Intermediation in Antebellum Massachusetts."

## FEDERAL STUDENT AID CUTS COULD AFFECT 2,182 PLATTSBURGH UNDERGRADUATES

Proposed federal budget cuts in student aid programs could, if approved, affect at least 40% of the student body at Plattsburgh (2,182 students) according to Financial Aid Director Suzanne Sokolowski. The Reagan Administration has proposed massive cuts in student aid, including large reductions in Basic Educational Opportunity Grants (Pell Grants) and College Work-Study Programs, elimination of Supplemental Educational Opportunity Grants (SEOG), and elimination of Guaranteed Student Bank Loans for graduate students.

Translating the proposals into terms of actual students affected, Sokolowski explained that 40% of the fulltime undergraduate students at the College this fall received Pell Grants. Thirty percent of those students (665) received the maximum Pell Grant (\$1,670) which would be cut. Forty-eight percent (1,066) had family incomes over \$14,000, the proposed cap for aid next year. Over 200 students now receive SEOG allocations (\$200 to \$400), which would be eliminated.

Other proposals would make it more difficult for students to obtain National Direct Student Loans. In addition, changes in Social Security benefits would also affect students. Although no figures were available on just how many students presently rely on those two forms of aid, Sokolowski did estimate that nearly 85% (4,543) of the students at Plattsburgh receive some form of financial assistance.

## COLLEGE RANKS THIRD IN GRANT EXPENDITURES; FOURTH IN APPLICATIONS

At the midpoint of the SUNY fiscal year, Plattsburgh State ranked third in expenditures of grant monies on campus among the SUNY colleges of arts and science. A report from the SUNY Research Foundation indicates that only Buffalo and Brockport ranked higher. Dr. Paul Roman, dean of graduate studies and research, explained that the report also showed that Plattsburgh was fourth (tied with New Platz), preceded by Brockport, Buffalo, and Fredonia, in the number of total grant applications submitted. Last year at this time, Roman said, the College ranked fifth. However, he added, the dollar amounts requested in the current year are 5% lower than last year.

Roman also said that with respect to the rate of return of indirect costs, the College is second only to Old Westbury. The rate of return at Plattsburgh rose from 13.3% in 1980 to 14.7% in 1981. However, in actual dollar amounts of indirect costs recovered, Plattsburgh collected \$61,780, second only to Brockport.

## STUDENTS IN FREE ENTERPRISE PREPARING FOR COMPETITION

Ten business and economics students are currently involved in this year's Students in Free Enterprise (SIFE) competition, a national contest which promotes the American free enterprise system. The students have prepared several projects, which will be scored in competition with projects from ninety-five other colleges and universities. Alan Slatas, president of this year's team, explained that the group's first project will be a blood drawing on Wednesday, February 17.

Last year's SIFE team sponsored a run to Philadelphia as one of its projects. This year's team will run to Washington, D.C., stopping to deliver talks to various civic organizations along the route. At the end of the run, the students plan to present 20,000 signatures of persons supporting the free enterprise system, which they will collect during the next month.

Slatas said that SIFE will conduct the fourth annual Easter Egg hunt at the Pyramid Mall, with eggs containing a "Free Enterprise" message and with other activities for children and adults. Classroom workshops for elementary school children and a week of guest speakers on campus will be among their other projects.

In addition to Slatas, the students working on the SIFE projects are Suzanne Baughmann, Tony Grecco, Thomas Heath, Eileen Lipsky, Larry Otubo, David Snow, Jonathan Tarr, Clint Watt, and Robert Williams.

## AUTHOR ALIX KATES SHULMAN TO LECTURE TUESDAY

Author and scholar Alix Kates Shulman will be on campus Tuesday, February 23 and will speak at the Women's Studies Forum at 12:15 and again at the Tuesday Reflections presentation at 4:15. Shulman has taught creative writing at New York University, New School, and Yale University. She has written several novels, including *Memoirs of an Ex-Prom Queen*, *Burning Questions*, and her most recent *On The Stroll*. She has also contributed to several works on women, such as *Women: Sex and Sexuality*, *Sexual Choices*, and *Woman in Sexist Society*, *Studies in Power and Powerless*.

For one of Shulman's recent works, a photographic study titled *Shopping Bag Ladies*, she spent a year as a volunteer in a Times Square program for homeless women.

The Women's Studies Forum will be held in the College Center Cardinal Lounge and Tuesday Reflections will be held in Ballroom B.

## AAUP TO SPONSOR FORUM ON SELF-STUDY REPORT

The College chapter of American Association of University Professors will sponsor a forum on the self-study report prepared in anticipation of the accreditation visit by a Middle States Association of Colleges and Schools team. Dr. William Hartnett, spokesman for the AAUP, said the forum will be held on Wednesday, February 24 at 7:30 p.m. in the Cardinal Lounge. He added that it is open to community members and college alumni, as well as faculty, staff, and students.

Five faculty members will present brief reports on various aspects of the self-study. They are Dr. Herman Doh, chairman of the Self-study Accreditation Steering Committee; Dr. David Mowry, Dr. Marilyn Chase, Mary Ann Poston, and Dr. Douglas Skopp. Following the presentations, the forum will be open to questions and/or comments.

## SSP TO HOST SEMINAR

Representatives from several colleges will join professionals from the College's Special Services Project, Educational Opportunity Program and Upward Bound Program for an information-sharing seminar on Friday, February 19. SSP Director Elizabeth Pasti explained that various professionals in developmental compensatory programs from St. Lawrence, Clinton Community, UVM, Champlain College, Community College of Vermont, Canton ATC, and Johnson State will gather to share their experiences, problems and ideas. Dr. Richard Robbins, associate vice president for academic affairs, will address the group on "Freshmen and the Foundations of an Undergraduate Education," and Thomas Moran, director of student development, will speak on "What Makes Students Stay in College."

## FACULTY MEMBERS WIN FIVE SUNY AWARDS FOR UNDERGRADUATE EDUCATION

In this year's competition for SUNY Faculty Grants for the Improvement of Undergraduate Instruction, Plattsburgh faculty walked away with the highest number of awards and with the largest number of grants made to any single institution, including the university centers.

Dr. Paul Roman announced this week that five applications involving nine Plattsburgh faculty members were among the twenty-three grants awarded. One hundred seventeen applications were submitted from throughout the 64-campus system, with Plattsburgh faculty submitting twelve, the highest number from any one campus. The five awards made to Plattsburgh faculty were the most given to any single institution. Oswego and SUC Buffalo were next, with three each. Moreover, the acceptance rate for Plattsburgh was 42%, while the average rate for the other campuses was only 20%.

The winners of the Faculty Grants for the Improvement of Undergraduate Instruction and their projects are: Dr. Philip DeVita, associate professor of anthropology, "The College Curriculum and Student Values" (in collaboration with DeVita are Dr. Douglas Skopp, associate professor of history, Thomas Moran, director of student development, and Dr. Richard Robbins, associate vice president for academic affairs); Dr. Roger Heintz, professor of chemistry, "Laboratory Techniques of Genetic Engineering"; Dr. Timothy Palkovic, assistant professor of theatre, "Creative Utilization of Sequenced Design Drawing Problems"; Daniel Stearns, associate professor of computer science, "A Student Operating System on the Burroughs 6800"; and Dr. Paul Szydluk, professor of physics, "Solar Energy — Theory and Technology" (in collaboration with Dr. Fred Kissner, associate professor of environmental science).

The award program, instituted ten years ago, is intended to promote superior undergraduate instruction throughout the SUNY system. Recipients were selected by a university-wide committee.

## CANADA DAY SET FOR MARCH 26

A visit from Canadian Consul General Kenneth Taylor and the U.S. debut of the comedy team, *The Royal Canadian Air Farce*, will highlight this year's Canada Day, scheduled for Friday, March 26. Dr. Richard Beach, director of the Center for the Study of Canada, said that various other activities are being planned for the day, which is held to promote Canadian-American friendship and understanding. Activities will include a symposium on Canada and Latin America, an information booth, and a Canadian buffet.

Kenneth Taylor is expected to be on campus for the day. Current plans are that he will be accompanied by Sean Brady, the Canadian consul and Stuart Hughes, vice consul.

The Royal Canadian Air Farce, a comedy team which takes aim at such targets as politicians, TV commercials, Queen Elizabeth, and not-so-bright hockey players, will perform in the Hartman Theatre at 8:30 p.m. The Air Farce, a group well known in Canada for their radio shows and tours, will be making their first appearance in the United States. Admission will be by complimentary ticket only. Tickets will be available beginning March 22.

## THEATRE ASSOCIATION PRESENTS 'CALIFORNIA SUITE'

The College Theatre Association and the Department of Theatre will present five performances of the Neil Simon comedy, *California Suite*, this week, beginning on Wednesday and ending on Sunday.

*California Suite* is a collection of four playlets, with the action taking place in two rooms in the Beverly Hills Hotel. Cast members include Paula Pecor, Kenneth Roberts, Don Dolan, Beth Slater, Irene Breitbeck, Christian Ambrosini, JoAnne Clark, Steven Miller, Lenore Wright, Bruce Armstrong, and Elizabeth Conley. The play is directed by Ruth Kline. Sets were designed by Timothy Palkovic, and lights by Judith Knott. Paul Sullivan is stage manager and Marc Rubenstein is technical director for the production.

The curtain will rise nightly Wednesday through Saturday at 8 p.m. and Sunday afternoon at 2 p.m. in the Hartman Theatre. Tickets are \$5 for the general public, \$4 for COACC members, senior citizens and students, and 50¢ for SA members.

## SUSAN SONTAG TO SPEAK ON CAMPUS NEXT WEEK

American novelist, critic, and filmmaker Susan Sontag will present readings from her published and unpublished works in "An Evening With Susan Sontag" on March 4 at 8 p.m. in CL-200.

Sontag is well known for writing such books as *The Benefactor*, *Against Interpretation*, *Death Kit*, and *Trip to Hanoi*. She has written and directed three films, and her stories, essays and reviews have appeared in many magazines. *On Photography*, a series of six essays, won her the National Book Critics' Circle Award.

Sontag has received two Guggenheim Fellowships and two Rockefeller Foundation Fellowships, as well as several awards, such as the Mayor's Award of Honor for Arts and Culture by the Commission for Cultural Affairs of the City of New York.

Her lecture is sponsored by the Campus Arts Council through the Student Association. Following her talk, there will be an informal reception in the Rockwell Kent Gallery.

## FINN, SADLER LEAD FORENSIC TEAM

Nora Finn led the college's forensic team to another second place finish this weekend, winning her second pentathlon title in as many weeks. Finn took two first place awards, two second place awards, and one third place award. The team finished behind perennial power, Suffolk University, but defeated nine other teams, including Cornell, Case Western Reserve, St. Lawrence, and the University of Rhode Island. Roger Sadler won two events, and placed in the top five in two others to take third in the pentathlon. Ray Remillard, Betty Chan and Tracy O'Brien also did well in individual events, and debater John McGarty put together a 4-2 record to take fourth in Lincoln-Douglas debate.

The 18 awards earned at Ithaca in this competition bring to 51 the total number won by the Plattsburgh team in the last three tournaments.

## EOP STUDENT ACCEPTED INTO MEDICAL SCHOOL

Neil Augustine, a December 1981 graduate under the auspices of the Educational Opportunity Program, has been accepted into medical school at Howard University in Washington, D.C. A biology major from Brooklyn, Augustine worked as a tutor/counselor in the E.O.P. Pre-Freshman Summer Program and as a biology and chemistry tutor in the Tutoring Center. Augustine spent his junior year as a visiting student at McGill University in Montreal and has appeared in *Who's Who Among Students in American Universities and Colleges*.

## PLANNING UNDERWAY FOR 26TH ANNUAL LEADERSHIP WORKSHOP

The officers and executive staff of the School Administrators Association of New York State (SAANYS) will join with college personnel on Thursday and Friday to work on planning the Twenty-Sixth Annual Leadership Workshop. Dr. Nicholas Troisi, dean of professional studies, serves as the director of the workshop. Troisi said this summer's two-week seminar will be held August 2-13, and added, "To my knowledge, this is the longest running Leadership Workshop for administrators and teachers in the state and possibly the nation."

The Workshop is co-sponsored by SAANYS, the National Association of Elementary School Principals, the National Association of Secondary School Principals and the College.

## COLLEGE COUNCIL TO MEET ON MARCH 4

The next meeting of the College Council will be held on Thursday, March 4 at 4 p.m. in the 10th Floor Board Room, Kehoe Building. Deans Warren and Troisi will make presentations on the Centers and new academic programs. Diana Green, director of institutional research, will discuss the results of a survey of alumni to determine how former students are faring in various professions.

## PLATTSBURGH STUDENTS MAY LOSE \$1 MILLION IN FINANCIAL AID

Students at Plattsburgh State University College face a loss of more than \$1 million in student aid if proposals by the federal government are adopted. In addition, cutbacks on the state level will deny Plattsburgh students over \$60,000, if approved. The college's financial aid director, Suzanne Sokolowski, said that over 40% of the student body could be affected by the proposals.

On the national level, Pell Grants are targeted for drastic cutbacks. Sokolowski said that 2,182 Plattsburgh students, 40% of the student body, are currently receiving the grants, formerly known as Basic Educational Opportunity Grants. Awards range to a maximum of \$1,670 per year.

A 40% across the board cut, or elimination from the program of students with family incomes of over \$18,000, are two of the possible changes in Pell Grant Aid under consideration. Either proposal, said Sokolowski, could deny Plattsburgh students approximately \$872,000 in federal assistance.

Senator Claiborne Pell, for whom the grants are named, assessed the impact of the cuts, if they go through: "Where the decades of the sixties and seventies were spent in opening the doors of educational opportunity, it is clear that at least the early part of the eighties will be spent in battling to keep them from slamming shut." Pell added that the long-range survival of Pell grants is in danger, saying that cuts of this magnitude "are an attempt to wind the program down, to withdraw the federal commitment, and to leave students without any student aid."

The proposed elimination of Supplemental Educational Opportunity Grants, which now range from \$200 to \$400 per eligible student, would deprive 242 students of \$80,000.

Work-study programs funded with federal monies are also in line for cuts. Nearly 500 Plattsburgh students hold part-time jobs through the campus work-study program this year, with each earning approximately \$700. An 8% cut would mean that 40 students would lose jobs, while a possible 25% cut would eliminate 120 students from the program, at a cost to these students of more than \$84,000.

In addition, Sokolowski said, the Guaranteed Student Bank Loan program is being revamped to the disadvantage of the borrower. Various proposals would increase the origination fee, which is paid on receipt of the money borrowed, from 5 to 10% of the total loan. They would also make interest payable while the student is in school rather than upon completion of studies, as is the case currently. In addition, graduate students would no longer be eligible for these loans.

On the state level, the State University Supplemental Tuition Assistance program (SUSTA) does not even appear as a fundable item in the current Executive Budget. At present, 300 students at Plattsburgh each receive \$100 through SUSTA.

Foreign student tuition waivers have also been removed from the governor's budget. One third of Plattsburgh's 95 foreign students are receiving assistance through these waivers, at a cost of \$31,500.

College President Joseph C. Burke suggested that the impact of these proposals on families with college-age children should not be underestimated. "At least 30% of our students come from families whose annual incomes are less than \$20,000," he said. Noting that costs have escalated even for public institutions in the state and nation, with Plattsburgh's costs over \$4,500 a year, he questioned how families, if denied federal and state aid, could continue to afford to spend one-quarter of their incomes to send their children to college.

Burke encouraged students, both college and high school, and their parents to write to their Congressional representatives and state legislators asking them to reconsider the proposed cuts.

## HIRING FREEZE IN EFFECT, BUT IMPACT UNCLEAR

A hiring freeze is currently in effect throughout SUNY. Imposed last week by the Division of the Budget, its full impact is not yet known. Guidelines which will clarify the specific impact of the freeze on the Plattsburgh campus are anticipated from SUNY Central within the week.

## HISTORY ASSOCIATION SENDS BOOKS TO ALUMNUS IN AFRICA

Two hundred history books are on their way to a high school in Africa, thanks to a cooperative effort between Plattsburgh State's History Association and Mount Assumption Institute.

The books are going to Brother Pius Kihuru, who received his master's degree in history from the college last May. A member of the Brothers of Christian Instruction Order, he spent his year in Plattsburgh with brothers from the same order at MAI. Following his graduation, Brother Pius returned to Tanzania and accepted a position teaching in a public school in Dar-El-Salaam.

Dr. Douglas Skopp, associate professor of history and one of Brother Pius' former mentors, explained what happened then. "His students are poor and his school is not well funded," Skopp said, "So he wrote to us asking for help in obtaining the books." Dr. Skopp and Michael Deignan, chairman of the social studies department at MAI, spread the story, and history faculty members and students responded generously, donating approximately 200 history books.

## SAFETY REPRESENTATIVES NAMED IN EACH BUILDING

Campus Safety and Security Director Lawrence Lorch has announced that building safety representatives have been named to each building on the campus. The safety representatives are charged with recording safety defects that come to their attention and making notification to the appropriate department to correct the problem. All persons, said Lorch, are encouraged to contact their building representative if they are concerned about a safety condition.

Safety representatives and their buildings are: Marty Mance, Adirondack; Howard LaPointe, Algonquin Dining Hall; Tim Myler, Banks Hall; Kenneth Loach, Beaumont Hall; Adelaide Abrams, C.V. Hall; Mal Collin, Central Heating Plant; Fred Sears, Clinton Dining Hall; William Laundry, College Center; Daniel Finkle, deFrenburg Hall; Joseph Swinyer, Feinberg Library; Don Cassidy, Field House; Mal Collin, FOB I; Julius Archibald, FOB II; Jeffrey Plumley, Harrington Hall; Nicholas Troisi, Hawkins Hall; Peter MacKenzie, Hood Hall; Shastry Sitaram, Hudson Hall; Ruth Swinyer, Infirmary; Derek Allan, Kehoe; Vickie Foss, Kent Hall; Melanie Wheatley, Macdonough Hall; John Andrews, Macomb Hall; James Prehoda, Mason Hall; Lori Bechtel, Memorial Hall; Nancy Adams, Moffitt Hall; Rick Mikelson, Myers; George Layman, Saranac Hall; Raymond Wrisley, Service Building; Lawrence Arcarese, Sibley School; Warren Bentzen, Ward Hall; John Mockry, Whiteface Hall; Steve Ackernecht, Wilson Hall; and Harry Bowen, Yokum Hall.

## FORENSIC TEAM FIRST IN INDIVIDUAL EVENTS; SECOND OVERALL IN TOURNEY

The Plattsburgh forensic team captured first place in individual events and second place overall (behind Suffolk University) at the Niagara University Forensic Tournament held last weekend. Nora Finn and Roger Sadler led the team, with each winning two events and placing in several others, to earn second and fourth place, respectively, in the pentathlon competition. Also winning awards were Anita Larsen, Dawn Fratangelo, Missy King, and Ray Remillard.

Overall team members won 21 awards at the 11-team tourney.

## ADVISEMENT BEGINS MONDAY, MARCH 29

The advising and registration period for the fall semester begins on Monday, March 29, and will continue until Thursday, April 8, according to Thomas Corigliano, Coordinator of Academic Advisement. Corigliano said that master schedules for the fall semester will be available in the registrar's office and the College Center on March 29, and he suggested that students schedule an early appointment for advisement.

## ROGER TUBBY TO OFFER COURSE ON PRESIDENTIAL DECISION MAKING

Roger Tubby, former Press Secretary to President Harry S. Truman, will offer a two-credit course entitled "Presidential Decisionmaking Since FDR," beginning on March 25. Classes will meet on Tuesdays and Thursdays from 1:15 to 2:45 p.m. in Room 317 of the Feinberg Library. History department chairman Dr. Doug Skopp announced the course this week, saying it had not been included in the master schedule. The course is open to students with at least three hours of American history credit.

## SPORTS ROUNDUP

The hockey team is still skating and the track men are still running but for almost everyone else, the winter sports season is over. The Cardinal icers closed the regular season with a 20-12-1 record and opened the defense of their ECAC II West crown with a 7-3 win over Elmira. The Cards face giant-killer Potsdam State Wednesday. A win that night will place the championship game in the friendly confines of the Field House. Norm Law's basketball team upset Southampton in Memorial Hall and finished with a 7-17 record. Paul Glodis, who led the Cards all year in scoring and rebounding, is a possible choice for All-SUNYAC honors. The PSUC women's team won its last two home games and ended with a 9-12 mark. The Redbird men's swimming team compiled a 4-5 dual meet season and is sending seven members to the SUNYAC championships this weekend in Geneseo. Plattsburgh State's women racers had a disappointing 1-10 dual meet mark but Linda Miner and Ellen McCarty did place in breaststroke events at the NYSAIAW Division III championships in Binghamton. In track, Dick Fischer's men travel to Cortland this weekend for the SUNYAC championships. Last weekend, the College hosted the first NYSAIAW indoor track and field championships. Plattsburgh State finished tied for 14th place, with a fifth-place performance by Charlene Fenton in the 400-meter run and sixth-place finishes by Olympia Clark in the long jump and 50-meter dash.

Any student expecting to complete requirements for the Bachelor's or Master's Degree or a Certificate of Advanced Study by May should file a **diploma application** at the Registrar's Office, Kehoe Building - 3rd floor by March 5.

## NOBEL LAUREATE TO RECEIVE HONORARY DEGREE AT PSUC COMMENCEMENT

The SUNY Board of Trustees has authorized the conferring of an honorary degree upon Dr. Eugene Wigner during Plattsburgh's commencement ceremony in May. A winner of the Nobel Prize in physics in 1963, Wigner will be a Distinguished Visiting Professor at the College from April 18 through May 16. He will be awarded the degree of Doctor of Science.

Wigner was born in 1892 in Budapest, Hungary and was educated there and in Germany. He held teaching and research positions in several European centers of higher learning until the 30's, when he fled Nazi Europe to settle in the United States. He taught at Princeton and at Wisconsin, then, after World War II, he returned to Princeton, where he is still active as a professor emeritus, although he officially retired twelve years ago.

Wigner is considered to be one of the founding fathers and most respected developers of the modern quantum theory. His chief research interest has focused on questions of symmetry in science and applied fields. He has written nearly 1,000 papers and received numerous awards and medals from the United States government and other nations.

Nine other distinguished men and women will receive honorary degrees from the State University this spring. They are former Senator Jacob K. Javits (Central Administration); former vice chancellor of the British Open University Sir Walter Perry (Empire State College); Gray Panther activist Ms. Margaret E. Kuhn (Fredonia); former U.N. ambassador James J. Wadsworth (Geneseo); art collector Roy R. Neuberger (Purchase); composer Aaron Copland (New Paltz); nuclear physicist Dr. Chien-Shiung (Albany); Renaissance scholar Dr. Paul Oscar Kristeller (Binghamton); and one of the founders of day care services in this country, Ms. Cornelia Goldsmith (Dutchess Community College).

## WILLIAMSON RESIGNS AS TAC DIRECTOR

Dr. R. Thomas Williamson has resigned his position as Director of the Economic Development and Technical Assistance Center, effective June 1. Williamson has held this position for the past six years. He will assume the position of Chief Officer of External Relations at Clarkson College.

College President Joseph C. Burke commented that Williamson's capable leadership of TAC and his contributions to the economic well-being of the North Country will certainly be missed. Burke emphasized, however, that the services provided by TAC will not be interrupted and said a search committee will begin the process of finding a new director in the near future.

## COUNCIL URGES CONGRESSMAN MARTIN TO FIGHT PROPOSED STUDENT AID CUTS

At its regular March meeting, the College Council unanimously passed a resolution requesting Congressman David O.B. Martin "to oppose . . . cutbacks in federal student aid programs and further (urged) Congressman Martin to work to restore full funding to these programs." The resolution came in response to a report by President Burke stating that if the proposed cuts in federal student aid programs, such as Pell Grants, Supplemental Education Opportunity Grants, work-study monies, and Guaranteed Student Bank Loans, are approved, well over 2,000 Plattsburgh students would lose more than \$1 million in financial assistance. In a letter accompanying the resolution, Burke pointed out that "More than 30% of our student body come from families whose annual incomes are less than \$20,000. These families, if denied further federal and state student aid, will probably be unable to continue to afford to spend almost one-quarter of their incomes, before taxes, to send their children to college."

## DR. DIAN FOSSEY ARRIVES ON CAMPUS FOR MONTH'S VISIT

Dr. Dian Fossey, internationally renowned expert on the mountain gorilla, has arrived on campus for a one-month stay through the Distinguished Visiting Professor program. Fossey, Visiting Associate Professor of Neurobiology and Behavior at Cornell University is also Project Coordinator at the Karisoke Research Centre in Africa. She has published widely in a variety of scientific journals, but is perhaps best known for her studies of the mountain gorilla that have appeared in print and in documentary form under the auspices of the National Geographic Society.

At Plattsburgh, Fossey will teach a mini-course on "Comparative Behavior of the Great Apes," and will present two public lectures. On March 31, she will discuss "Ecology and Behavior of the Free-Ranging Mountain Gorilla" at 8 p.m. in CL 200, and on April 6, she will present a Tuesday Reflections program on "Factors Determining the Organization of the Gorilla's Social Structure" at 4:15 p.m. in the Cardinal Lounge.

## UPDATE ON HIRING FREEZE

Further clarification of the hiring freeze imposed recently on the State University of New York by the Division of the Budget has been received. Up to 80% of faculty positions available for recruitment may be filled without prior D.O.B. approval. Other exemptions for positions related to health and safety, continuation of income projects, essential services, and prior commitments have also been approved.

## CARDINAL HOCKEY TEAM SECOND IN NATION; D'ANJOU NAMED ALL-AMERICAN

"We're Number Two!" is not the boast Plattsburgh State supporters wanted to make, but for the second consecutive year, the Cardinals are the nation's second-best Division II hockey team. Unfortunately for Redbird loyalists, the University of Lowell successfully defended its NCAA crown, beating Plattsburgh State 6-1 on the Chiefs' home ice. About 500 Cardinal boosters were among the 3,700 present at the title tilt. To get to the championship game, the Redbird skaters had to beat Minnesota's Gustavus Adolphus, the number-two seed. The third-seed Cardinals edged the Gusties 4-3. Plattsburgh State compiled an overall record 25-13-2 and a mark of 23-7-2 in Division II.

Individually the Cards picked up several post-season honors. All-time leading scorer Gaetan D'Anjou was named to the Division II Titan All-America Team by the American Hockey Coaches Association. D'Anjou and defenseman Rick Young, the team's captain, were selected for the ECAC Division II West All-Star First Team, and defenseman Francois Bellefeuille made the second team.

## COLLEGE COUNCIL TO MEET APRIL 1

The next meeting of the College Council is scheduled for Thursday, April 1 at 4 p.m. in the 10th Floor Board Room of the Kehoe Building. Wayne Byrne, Council representative on the Steering Committee, will discuss the preparation of the Middle States Evaluation Report. Dr. Herman Doh, Steering Committee Chairman, will discuss the Middle States Visitation. President Burke will make a presentation on college-wide goals and objectives.

# weekly notes

**Dr. Sarah Lord**, assistant professor of home economics, has received a cooperative program grant in the amount of \$7,950 from the New York State Education Department. The grant is titled "Future Homemakers of America: for Students, Teachers, Teacher Educators and Supervisors." . **Jean Jerome** (M.A. '79), an instructor in the chemistry department, has been offered a research fellowship (\$8,400) to complete her doctorate at the University of Illinois-Urbana/Champaign. The University of Michigan has offered her a similar position. . . S.A. President **Randy Prior** worked on a recent 15-minute segment on ABC-TV's "20/20" program. The segment dealt with the dangers of formaldehyde fumes from insulation and particle board and was partially shot in Altona. Prior, a senior marketing major, served as a summer intern for "20/20" and assisted in the production of the segment. . . An exhibition of drawings, paintings and collages by **Rick** and **Susan Mikkelsen** has been on display this month at the Council of the Arts Gallery in Plattsburgh. Rick Mikkelsen is an associate professor of art.

## ROGER TUBBY TO RECEIVE DISTINGUISHED SERVICE AWARD

Roger Tubby, former press secretary to President Harry S. Truman, will receive the College's highest honor at the May commencement exercises. Tubby, who will also deliver the commencement address, has been selected by the College Council to receive the Distinguished Service Award. The award is based on leadership in the service of others and contributions to community, state, national and international activities.

Tubby, a Saranac Lake resident since 1953, has long been active in the public forum. In addition to his position as presidential press secretary, Tubby has been Assistant Secretary of State for Public Affairs, Ambassador and U.S. Representative to the United Nations and Dean of the Foreign Service Institute of the Department of State. He has been particularly involved in promoting an improved economy for the North Country as founder and president of the Adirondack Park Association, chairman of the governor's task force on tourism, and Governor Hugh Carey's representative to the 1980 Winter Olympics. Tubby continues to serve as a consultant to Governor Carey on the region's economy. He is also an adjunct faculty member at the College, where he teaches a history seminar on the Presidency.

## KISSNER, SZYDLIK SIGN CONTRACT TO MONITOR SOLAR EFFICIENCY

Two Plattsburgh State faculty members have signed a \$66,934 contract with the New York State Energy and Resource Development Authority to monitor the efficiency and cost-effectiveness of add-on solar devices.

Dr. Fritz Kissner, associate professor at the Institute for Man and Environment, and Dr. Paul Szydluk, professor of physics, are studying eight solar devices currently in operation in residences in Franklin and Essex Counties.

Kissner said the devices being monitored include two greenhouses, three types of solar heaters, a storage wall, a thermo-siphon air panel, and a fan-assisted air panel. Five of the installations are near Malone. The other three are in the Elizabethtown area.

Kissner and Szydluk are evaluating the performances of the solar devices from the economic point of view and are also looking at owner attitudes toward their use. They will publish their findings in late summer.

## SUNY TRUSTEES ASK STATE CONGRESSIONAL DELEGATION TO OPPOSE STUDENT AID CUTS

The SUNY Board of Trustees recently joined the effort to prevent massive cuts in federal student aid programs. The Trustees passed a resolution deploring "the harsh and counter-productive results that would follow if the proposed reductions in student financial assistance are carried out, and (rejecting) the specious arguments that national budgetary goals must be accomplished at such a terrible cost." The resolution, which was sent to all members of the New York State Congressional Delegation, urges them to "reject these proposed reductions and to maintain support funding for these vital programs at levels that will ensure the widest possible educational opportunity for all our citizens."

## FINN, SADLER NORTHEAST PENTATHLON CHAMPS; FORENSIC TEAM NO. 1 IN REGION

With Nora Finn and Roger Sadler leading the way as co-champions in the Pentathlon competition, the college's forensic team has won the Northeastern Regional Forensic League title. The league is composed of colleges and universities from New York, New England, New Jersey and Pennsylvania, and points for the title are accumulated during six league tournaments held during the winter.

Finn and Sadler were the only two members of Plattsburgh's team to compete in the final tournament last weekend in Boston, but earned enough points to win it by themselves. Rutgers, Emerson, Southern Maine and Boston College rounded out the top five finishers.

The team will compete in the state championship tournament this weekend and the national tournament in late April. Plattsburgh goes into the state tourney as defending champions, but Coach Al Montanaro expects stiff competition from St. John's, Fordham and West Point.

## ARTS FESTIVAL '82 OFFERS COMBINATION OF ART, MUSIC AND THEATRE

The College's first Arts Festival, scheduled for April 1 through April 4, includes art, music, and theatre offerings. The festival, which concentrates this year on contemporary arts, opens Thursday evening with a lecture by Ivan Karp, the director of the O.K. Harris Art Gallery in New York City. Karp will discuss contemporary art and works from that gallery now on exhibit in the Myers Fine Arts Gallery. On Friday, April 2, Contemporary Mythmakers, an "imaginative and highly dramatic" ballet company will perform at 8 p.m. A panel discussion on "Contemporary Art in the Liberal Arts Setting," featuring guest speakers Jim Bakkom, Gunther Schuller, and Barbara Zucker will be held at 1 p.m. on Saturday. That same day, the Champlain Trio (Kathryn Stuart, Robert Cancelosi, and Yenoin Guibbory) will perform at 8 p.m. They will be joined by two guest artists, Charles Meinem and Elizabeth Gorevic. On Sunday, Plattsburgh students will present a one-act play at 2 p.m., the Jazz Ensemble will play at 3 p.m., and the Kent State Electronic Music Ensemble will perform at 8 p.m. All activities will take place in the Hartman Theatre and are free and open to the public.

## HOME ECONOMICS DEPARTMENT HOSTS MINI-WEEKEND FOR PROSPECTIVE STUDENTS

Twenty-seven high school students from New York and Vermont were guests of the home economics department this weekend for a mini-weekend. The students arrived Sunday afternoon and were welcomed by Dr. Marilyn Chase, department chair, President Joseph C. Burke, Dr. Nicholas Troisi, Dean of Professional Studies, and Director of Admissions David Truax. All members of the department faculty participated in the weekend program and each of the four majors within the department was explained in detail to the students. The students spent the night with home economics students in the dormitories and on Monday morning attended classes. This is the second year the mini-weekend has been held and students and faculty alike are enthusiastic about its success.

## PHI UPSILON OMICRON INDUCTS 24

Plattsburgh's Beta Epsilon chapter of Phi Upsilon Omicron recently inducted 24 members. A candle ceremony marked the occasion, followed by a reception to celebrate the event. ## FORENSIC TEAM TAKES STATE TITLE — AGAIN!!!

The Plattsburgh State forensic team successfully defended its state championship against fifteen contenders last weekend and brought home the trophy for the seventh time in the team's eleven-year history. The title is based upon three separate competitions; the Legislative Assembly, which the team won last fall, Individual Events, and Debate. Plattsburgh earned a total of 97 points in three areas. Pace finished a distant second with 45 and Fordham was third with 42.

At the combined individual events and debate championships at Dutchess Community College this weekend, Plattsburgh won the individual events competition with outstanding efforts by Missy King, who took the state title in both prose interpretation and persuasive speaking, and Dawn Fratangelo, who won the poetry interpretation event. The novice debate team of Jim Sandford and Bob Solarski posted a perfect 6-0 record to win that division. The varsity team of Paul Panzl and John McGarty were second in their division with a 4-2 record, and all four debaters won individual awards for their presentations.

Roger Sadler, Nora Finn, Tracy O'Brien, Betty Chan, and Ray Remillard also placed in the top five in their events. In the pentathlon competition, Finn was second, King third, and Sadler fifth.

The team will end its season with a trip to the national championship later this month.

From l to r: Bob Solarski, Missy King, Jim Sandford. Missing: Dawn Fratangelo.

## GEOGRAPHY DEPARTMENT RATED AS ONE OF COUNTRY'S TOP TWENTY

An independent survey published in a recent issue of the *Journal of Geography* rates Plattsburgh's undergraduate department of geography as one of the top twenty in the country. The survey was conducted by Drs. Anthony de Souza, Ingolf Vogeler and Brady Roust, associate professors at the University of Wisconsin-Eau Claire. One hundred ten colleges and universities participated in the survey and answered questions about enrollment, impact within the institution, geography majors, training for graduate school, publications, research, grants, and community service. Plattsburgh scored in the top twenty in several areas. The authors summarized their findings and ranked the departments by teaching, research, and overall standing. Plattsburgh was rated seventh in teaching and eleventh overall, and was the only SUNY College to reach the top twenty in the final standing.

Dr. Malcolm Fairweather, department chairman, explained the rating survey and said, "We are very pleased with our excellent rating, especially since we were ranked higher than institutions such as Dartmouth, Middlebury, Colgate, Ohio Wesleyan and Hunter College, as well as all of the other SUNY Arts and Science colleges." He added, "All of the departments rated ahead of us have many more faculty than we do and are part of universities that are much larger than PSUC."

## HAMMOND RESIGNS TO ACCEPT DIVISION I POST

Herb Hammond has resigned his position as coach of the Plattsburgh State Hockey Team to coach at Division I Brown University in Providence, Rhode Island.

Announcing his decision to leave Plattsburgh after a two-year stint, Hammond said, "I leave Plattsburgh with mixed feelings. While I am looking forward to the challenge of coaching on the Division I level, I have thoroughly enjoyed my two years with the Cardinals. The team has been great to work with. I wish them the best of luck in the future and I expect that they will continue to do very well. The people at the college and the fans in the community have been very supportive and I have been grateful for that."

In two years under Hammond's coaching, the Cardinals compiled a 52-17-4 record, won two ECAC Division II titles, and were twice runners-up in the NCAA post-season tournament for the national championship. Hammond was named Coach of the Year last year by the American Hockey Coaches Association.

Plattsburgh President Joseph C. Burke commented that Hammond will be missed. "Herb is the ideal coach and mentor," Burke said. "he understands not only how to teach hockey fundamentals and inspire the players to great achievements against top competitors on the ice, he also understands that academic work comes first at a college."

Burke added: "We owe Herb a debt of gratitude for bringing our hockey program to its current level of excellence and we will continue our commitment to the program. We are now forming a committee and will shortly be conducting a national search for a new coach for the Cardinals."

## BEDWORTH PUBLISHES HEALTH TEXTBOOK

*Health for Human Effectiveness*, co-authored by Dr. David Bedworth, assistant professor of health education, and his father, Dr. Albert Bedworth, has been published this month by Prentice-Hall, Inc. The book, says Bedworth, "is a college text that describes pertinent health issues confronting each of us and our society. It is designed to provide college students with accurate and timely health information for making appropriate personal health decisions and for becoming active in improving the health of society. Emphasis is placed upon the promotion and maintenance of personal and societal health and the prevention of disease, disability and premature death."

The book contains chapters on personality; mental health, the motivation of health behavior; grief; dying and death; sex, marriage and lifestyles; smoking; drugs, drinking; consumer health choices; the politics of health; nutrition; fitness; infectious and non-infectious diseases; and genetic health.

The senior Bedworth, now retired, was formerly with the Bureau of School Health Education and Services of the State Education Department. From 1960-67, he taught summer courses at Plattsburgh.

## PEACE EDUCATOR TO BE VISITING LECTURER ON CAMPUS

Russell Johnson, Senior Program Associate of the American Friends Service Committee in New England, will be a visiting lecturer at the College from April 12 to April 23. Johnson will speak to high school classes, church groups, and community organizations as well as to classes on campus. As a peace educator with the AFSC for 32 years, Johnson has made numerous trips to Cambodia, Viet Nam, Thailand, South Korea, Indonesia and the Philippines. He has also visited Cuba, the Peoples Republic of China, and Russia.

Johnson will be accompanied by his wife, Irene, a noted speaker, whose speciality is the role of women in the third world. Mrs. Johnson will also be available for lectures.

KEY LONG ISLAND ALUMNI LEADERS MEET WITH COLLEGE OFFICIALS

About 30 key alumni leaders from Nassau and Suffolk Counties met with President Burke, Alumni Affairs Director Mal Lavery, and Foundation Executive Director Don Garrant on April 2 at the home of Dr. and Mrs. Xenophon (Jim) Damianos at Stony Brook, L.I. The College officials and alumni leaders discussed the role of alumni in the College's admissions program, and the increased need for private funding. A slide presentation, narrated on tape by two of the College's communications majors, provided an opportunity for the alumni leaders to question Dr. Burke about Plattsburgh State today.

POPULARITY OF MINORS GROWING

The number of students declaring an academic minor has grown considerably since minors were approved last spring, according to Thomas Corigliano, Director of Academic Advisement. In a recent report, Corigliano noted that 265 students have officially chosen a minor from the 26 approved programs. Chemistry is the overwhelming favorite, followed closely by psychology and Spanish. Corigliano expects that as advisement and registration continue this semester, the number of declared minors will increase even further.

EYEWITNESS EXPERT TO LECTURE

Professor Elizabeth Loftus of the University of Washington will deliver a lecture on "Eyewitness Testimony" at Plattsburgh State on April 14 at 7:30 p.m. in Room 208 of Yokum Hall. Professor Loftus will discuss her research and her extensive courtroom experience as an expert witness on the problems of evaluating eyewitness testimony. Professor Loftus has contributed many important articles to the eyewitness identification field, and her research is widely cited. Her book *Eyewitness Testimony* won the American Psychological Foundation's 1980 National Media Award for Distinguished Contribution. Her textbook *Human Memory: The Processing of Information* is widely used in colleges and universities. She has recently completed a new book titled *Memory: Surprising New Insights Into How We Remember and Why We Forget*. The lecture is free and open to the public.

FORTY-SIX RESIDENT ASSISTANTS CHOSEN FOR 1982-83 ACADEMIC YEAR

Forty-six resident assistants have been selected from a field of 187 candidates for the 1982-83 academic year, according to Cheryl Hogle, associate director of Campus Life. The new R.A.'s have a collective cumulative average of 3.09 and are majoring in a wide variety of programs. They are currently undergoing a ten-session training period, which covers such topics as dormitory policies and procedures, crisis intervention, counseling techniques, campus facilities and services, stress, time management, human sexuality and relationship problems.

The new resident assistants are: Richard Beatty, Kathleen Benson, Linda Blaize, Ricky Brunner, John Burdick, Angela Cacchione, John Clouden, Maureen Daly, Carol Dettori, Bryan Donovan, Barb Durham, Heather Griffith, Sean Hanlon, Mike Herbs, Tom Higgins, Scott Hockford, Jennifer Hubbard, Kevin Jordan, Roger Knakal, Deborah Kronau, Helene Lantry, Eric Marsh, Brendan McCormick, Wendy McLoughlin, Paul Meyer, Rusty Murray, Scott Nathanson, Sue Neyenhouse, Greg O'Brien, Nora O'Connell, Dave Pawlick, Deborah Pens, Sharon Purcell, Dawna Quigley, Lorraine Rishell, Kelly Root, Shelley Siek, Peter Simon, Terry Siroky, Mary Smith, Steven Szalowski, Hilary Teach, Julie Weinstein, Stuart Williams, George Wright, and Margaret Yund.

UPWARD BOUND PROGRAM CHOOSES SUMMER PROGRAM TUTOR COUNSELORS

Upward Bound Director Peter Luguri has announced that thirteen students have been selected for the positions of tutor/counselor for the 1982 Upward Bound Summer Program. The new tutor/counselors are John Caruso, senior sociology/criminology major; John Chichester, junior music major; Olympia Clark, junior home economics education major; Tina Gimmi, senior math major; Darcey Lacey, junior child-family services major; Pauline Lefebvre, senior special education major; Michael Love, senior education major; Susan Manciocchi, senior home economics education major; Steven Pataky, junior journalism/English major; Sandra Slacer, senior computer science/business major; Eric Sundell, junior biology/chemistry major; Steve Szalowski, senior education/human services major; and Keith Waldman, sophomore psychology major.

The summer Upward Bound Program brings approximately 110 high school students from Clinton, Essex, and Franklin counties to campus each summer for an intensive six-week educational experience. The program is designed to provide motivation and skills necessary to gain entry into and be successful in post-secondary education.

## MIDDLE STATES EVALUATION TEAM HERE NEXT WEEK

The 10-member team of educators from five states that will evaluate the College for reaccreditation by the Middle States Association of Colleges and Secondary Schools will begin its four-day visit to campus on Sunday. During their stay, team members will attempt to identify strengths and weaknesses in programs and operations at the College upon which to make recommendations for improvements.

"We are confident that faculty and staff will make themselves available to members of the evaluation team and will cooperate fully with them," said President Joseph C. Burke. "We should look forward to receiving their comments as a means to help us improve effectiveness."

At press time, biographical information was available on nine members of the Middle States team. Their names, titles and institutions: David Adamany, chairperson, vice chairman for academic affairs and professor of political science at the University of Maryland; Richard U. Byerrum, dean of the College of Natural Science at Michigan State University; Paul Z. DuBois, director of library and professor of media communication science, Trenton State College; Harold Feldman, professor of management and finance and former vice president for financial affairs at Fairleigh Dickinson University. Also, Nelson P. Guild, president of Frostburg State College and Board Professor (1981-82) of the Board of Trustees of the State Universities and Colleges of Maryland; Marcia Landy, professor of English at the University of Pittsburgh; Jan Meehand, associate dean of students at Rutgers University, Douglass College; Sebastian J. Raciti, Director (Dean) of the School of Administration and Business at Ramapo College of New Jersey; and Lola Ragins Smith, professor, department of education at Morgan State University.

## NOBEL LAUREATE TO BEGIN DISTINGUISHED VISITING PROFESSORSHIP

Dr. Eugene Wigner, professor emeritus of physics at Princeton University and winner of the Nobel Prize in physics in 1963, will arrive on campus this weekend to begin a month-long Distinguished Professorship at the College. Wigner, considered to be a founding father and a developer of modern quantum theory, will receive an honorary degree from State University of New York during commencement exercises at Plattsburgh State on June 16.

While on campus, Professor Wigner will hold two public lectures (his first, on "Science in the 21st Century and Its Social Implications," will be at 8 p.m. next Wednesday in Room 106 of Hudson Hall), present two Tuesday Reflections programs and two professional physics colloquia, and will appear as guest lecturer in two regular courses. Watch "this week on campus" in future issues of WEEKLY for dates, times and locations of Wigner's lectures.

## HARVARD'S MENDELSON TO LECTURE TWICE ON TUESDAY

Tuesday Reflections continues next week with a "double feature" lecture program by Harvard University Professor Everett Mendelsohn. A professor of the history of science at Harvard, Mendelsohn will discuss "Knowledge and Power in the Sciences" at 4:15 p.m. in the Cardinal Lounge of the College Center. At 8:15 p.m. on Tuesday, he will talk on "Frankenstein at Harvard: The Public Politics of Recombinant DNA Research" in Room 106 of Hudson Hall.

The author of many works in his field, Mendelsohn is a Fellow of the American Association for the Advancement of Science and of the American Academy of Arts and Sciences, and he is an Overseas Fellow, Churchill College, Cambridge University. He is currently editor of the *Journal of the History of Biology* and a member of the editorial boards of *Ethics in Medicine*, *Sociology of Sciences* and other journals. His visit to campus is being co-sponsored by the Sigma Xi Club. Both lectures are open to all.

## ASIAN STUDIES SYMPOSIUM CONVENES NEXT THURSDAY

"Religion and Politics in Asia" is the theme of the ninth annual Asian Studies Symposium to be held next Thursday in the Cardinal Lounge of the College Center. At 1:15 p.m., Dr. Donald E. ## STUDENT RECOGNITION WEEK '82 TO HONOR VARIETY OF ACCOMPLISHMENTS

The second annual Student Recognition Week, sponsored by the Campus Committee on Student Achievements and Contributions and scheduled for the first week in May, will salute a wide variety of student accomplishments and achievements. The "week" is actually ten days long, from April 30 through May 9, and includes several forms of student performances as well as official recognition ceremonies. Music and theatre will be spotlighted on April 30, with a jazz ensemble concert at 8 p.m. in the courtyard and a performance of "Oedipus the King" in the Hartman Theatre at 8 p.m. "Oedipus" will be performed again on Saturday at 8 p.m. and on Sunday at 2 p.m. The best of student art works will be on display all week in the Myers Fine Arts Gallery in the juried student exhibition. On Sunday, a campus and community carnival will be held in the College Center Plaza. An Intercollegiate Athletic Recognition program will be held on Monday at 7:30 p.m. in the Ballroom. Members of the various varsity teams will be honored for their performances and the Male and Female Scholar-Athletes of the Year will be named. Two Brown Bag Theatre productions will showcase student talent on Tuesday and Wednesday. "Talley's Folly" will be presented on May 4 at 7:30 p.m., and a double feature at noon on May 5 will offer "The Man With the Flower in His Mouth" and "The Jar." At 5 p.m. on Wednesday, members of the college's various national student academic honorary societies will be recognized and congratulated in a program sponsored by Omicron Delta Kappa, the national leadership honorary society. On Thursday, at 4:30 p.m., the forensic team, perennial state champions, will demonstrate their talents in the Myers Fine Arts Gallery. Friday, May 7 at noon in the College Center Courtyard, a special program will recognize a variety of individual and groups' academic, athletic and service achievements. At 3 p.m. in the Blue Room, students who contributed to *Z. Platt Almanac* will read from the new edition of this student literary journal, and at 8 p.m., in the Hartman Theatre, Dr. James Miller will direct a concert by the symphonic band. A performance by the College Chorale at 8 p.m. on May 9 in the Hartman Theatre will conclude the week's program. Members of the college community are invited to participate in the week's events honoring students for their accomplishments.

### PLATTSBURGH'S NOMINEE JAMES A. FITZPATRICK, WINS SUNY DISTINGUISHED CITIZEN AWARD

James A. FitzPatrick, prominent Plattsburgh attorney, former N.Y.S. Assemblyman and former Chairman of the New York State Power Authority, has been designated by the SUNY Board of Trustees as one of five people to receive the 1982 SUNY Distinguished Citizen Award. The award is given to candidates who have made "significant contributions of public service on a statewide and/or local basis in such areas as cultural, educational, business, philanthropic, civic, religious or social service activities." FitzPatrick was nominated for the award by College President Joseph C. Burke. Burke cited many of FitzPatrick's public service contributions in the letter of nomination, and mentioned that, "Our nominee has been a continuous friend of higher education. As president of the Miner Institute, he was recently instrumental in establishing a cooperative venture with our College, which will establish an in vitro cell biology internship program at that Institute's facility in Chazy."

FitzPatrick will receive the award at the Chancellor's Forum in Cooperstown in May 3.

### MARRIOTT CORPORATION WINS FOOD SERVICE CONTRACT RENEWAL

The Marriott Corporation has been awarded its second five-year contract to provide food services on the Plattsburgh campus. The announcement was made this week by College Auxiliary Services Executive Director Stanley Supinski. The selection process began in October, explained Supinski, with the formation of an evaluation committee comprised of students, faculty, and administration representatives. Bids were solicited from 12 food service companies and received from five. The bids were opened in February and the field was narrowed to three. The evaluation committee visited operations (run by the three finalists) and eventually recommended that Marriott be chosen over the other two. The final selection was made by the CAS executive committee.

### BENEFIT FUND FOR INJURED STUDENTS REACHES \$1,640

A fund to benefit Carolyn Willis and Mike Miner, two students injured in a car/pedestrian accident last semester, has reached \$1,640, according to fund coordinator Steve Ackerknecht. Ackerknecht said that faculty, staff, and students have sponsored several fund raisers throughout the spring semester. Projects included a campus talent show, a cross-country ski race, a coffee house on ice, a courtyard concert, and several dormitory sponsored benefits. Contributions were also received from the College Store, Cardinal Points, and individual faculty and staff members.

Ackerknecht said the money will be divided equally between the two families, and checks will be presented in the near future.

### TWO ART SHOWS OPEN IN CAMPUS GALLERIES

The juried student art show and "Color Pieces," a combination of poetry and watercolors by Michelle de Montbrun Holland and Thomas Holland have opened in the Myers Fine Arts Gallery and the Rockwell Kent Gallery alcove, respectively. The student show is a selection of various art forms by Plattsburgh students. The pieces were chosen for the show by George McClancy, Director of "SUNY Semester in NYC." The student show will be on exhibit through May 16, and "Color Pieces" will run through May 25.

### LATIN AMERICAN EXPERT TO LECTURE MAY 6

Ronald Godard, special assistant for Latin America in the Department of State, will spend Thursday, May 6 on campus and will deliver three lectures. Godard will address the Senior Seminar in Latin American Studies at 1:15 p.m. in CL 100, and the Introduction to Latin American Studies class at 2:45 p.m. in CL 203. At 7 p.m., he will address the history club on "U.S. Policy and Central America" in the Cardinal Lounge. Interested faculty and students are invited to attend any of the lectures.

#### TO FACULTY, STAFF, AND STUDENTS:

I would like to express my appreciation to all who worked so diligently on the 1982 Open House for prospective students, their families, and friends.

Incoming students tell us frequently that one of the major factors in their decision to attend Plattsburgh is the enthusiasm that students have for the College. This enthusiasm was clearly evident Saturday as nearly 150 students volunteered to conduct tours of the campus and 100 more acted as building guides, as parking lot attendants, as greeters, and in other capacities on campus. The evaluation forms completed by our visitors spoke of these students in glowing terms, and complimented them on their friendliness and willingness to answer questions.

To all others who contributed to the success of this day — my heartfelt thanks and gratitude.

*Joseph C. Burke*

## APRIL 29 IS HANDICAPPED AWARENESS DAY ON CAMPUS

The third annual "Handicapped Awareness Day," sponsored by the 504 Committee, is scheduled for April 29 from 10 a.m. to 4 p.m. The purpose of the day is to increase the awareness of the college community of the handicapped and their concerns. Several displays will be set up and films will be shown during the day in the College Center Conference Room and the area immediately outside of that room. Members of the 504 Committee will also be on hand to discuss issues relating to the handicapped and to answer questions.

## LIMITED OUT-OF-STATE TRAVEL APPROVED

Travel to contiguous areas of Vermont and Quebec is now allowable, according to a ruling by SUNY Vice Chancellor for Finance and Business Harry Spindler. Out-of-state travel had been prohibited several months ago, but will now be allowed for these areas.

## CAREER PLANNING SEMINAR FOR WOMEN IN STATE EMPLOYMENT SET FOR MAY 19-21

"Going Places," a three-day career planning seminar designed for women in grades 3 - 9 in state employment, will be held on the Plattsburgh campus May 19 - 21. The program is co-sponsored by the Center for Women in Government, the Office of Alternative and Continuing Education and SUNY Central Administration assisted by the college's Office of Continuing Education. Sixty participants from a variety of state agencies in the North Country will be given the opportunity to become involved in career planning, with a focus on the identification of skills, values and career aspirations. Women interested in attending the seminar should contact Jan Edwards at 2010 by Monday, May 3.

## THREE RECEIVE CHANCELLOR'S AWARD

Dr. Donald Bogucki, professor of geography, Dr. Roy Malpass, professor of behavioral science, and Topsy Smalley, senior assistant librarian are among 50 SUNY faculty members, librarians, and non-teaching professionals chosen to receive the 1982 Chancellor's Awards for Excellence. The award, initiated ten years ago, recognizes the recipients for excellence of performance in their professional duties. Nominations are solicited by a campus selection committee from faculty, students, and administrators, then submitted to an Awards Committee for review. The final selection is made by Chancellor Clifton R. Wharton, Jr.

Bogucki and Malpass received the Chancellor's Award for Excellence in Teaching, and Smalley received the Chancellor's Award for Excellence in Librarianship.

Bogucki, who has been a member of the faculty since 1970, teaches courses in remote sensing, geomorphology, surveying and field mapping. He currently holds a SUNY Research Foundation grant to study "Remote Sensing of Adirondack Alpine Ecosystems," and is co-holder (with Dr. Gerhard Gruendling) of a contract with the Adirondack Park Agency to interpret and classify Adirondack Park wetlands.

Malpass joined the faculty in 1973, and teaches courses in behavioral science. His research in the areas of eyewitness identification and cross-cultural psychology has been internationally acclaimed. Malpass is a fellow of the American Psychological Association and is editor of the Journal of Cross-Cultural Psychology.

Smalley served as a reference librarian in the Feinberg Library from 1972 to 1976, and rejoined the staff in 1980. In addition to her duties as a reference librarian, she has special responsibility for publications in the reference unit. She has published several articles on the processes of information and is presently doing a study on evaluation of library research skills.

## FORENSIC TEAM BREAKS INTO TOP 20 IN COUNTRY; FRATANGELO PLACES 7TH

The College forensic team ended its season last weekend with a 16th place finish in the National Individual Events Championship tournament at Ohio State University. More than 125 schools were represented at the tournament, which was won by Bradley University of Illinois. Plattsburgh finished first among the twenty Northeast colleges, and was the only regional college to crack the top twenty. Comparatively, Plattsburgh did extremely well, according to coach Al Montanaro, because the team had only six competitors, while other teams were considerably larger. (Bradley, for instance, fielded 43 competitors.)

Dawn Fratangelo led the Plattsburgh team, placing seventh overall in the prose interpretation category, competing against more than 330 other speakers. She also finished 14th in informative speaking, in a field of 230. Other team members who placed in the top thirty in their categories were Roger Sadler, extemporaneous and persuasive speaking, Nora Finn, expository and poetry interpretation, and Betty Chan, expository and persuasive.

## GEOGRAPHY MAJOR WINS NATIONAL GEOGRAPHIC SOCIETY INTERNSHIP

Neil C. Heywood, a senior geography major from Granby, Connecticut, has been awarded one of eight internships with the National Geographic Society in Washington, D.C. this summer. Dr. Malcolm Fairweather, chairman of the geography department, explained that the society holds a competition for graduate and undergraduate students for the prestigious placement, and chooses what it considers to be the top eight geography students in the country. Heywood, who also received the National Council for Geographic Education's Award for Excellence in Scholarship this year, has won an assistantship to continue his studies at the University of Georgia.

## OLYMPIA CLARK, PIERRE BRUNET NAMED 1981-82 SCHOLAR-ATHLETES

Olympia Clark, a junior home economics education major, and Pierre Brunet, a senior business/accounting major, were named Female and Male Scholar Athletes of the Year, respectively, at the 1981-82 annual Athletic Recognition Ceremony Monday evening.

Clark, a threat in two sports, is a three-year member of the varsity volleyball team and both the indoor and outdoor track and field teams. She holds the college record in both the long jump (5.36 meters) and the 200 meter dash (27.5 seconds) and was named to the All-Eastern Indoor Track and Field Team this year. Clark is also an outstanding scholar and is a member of Phi Upsilon Omicron, the home economics honor society and Kappa Delta Pi, the education honor society.

Brunet is best known on campus and by hockey fans as a quick, high-scoring forward, but he is more than that, says hockey coach Herb Hammond, who calls Brunet "one of our best citizens

academically and athletically." Brunet has collected several honors during his three-year stint with the Cardinals, including the Most Valuable Player award for the ECAC tournament last year. He was also named to the All-Star teams for the SUNY Athletic Conference and the New York Collegiate Hockey Association.

## FOUNDATION TO SUPPORT SUMMER MUSIC THEATRE STUDENTS

The Plattsburgh College Foundation has approved scholarship aid for six students enrolled for credit with the Plattsburgh Summer Theatre. Foundation Executive Director Don Garrant explained that over the past few years, the program has provided outstanding educational opportunities for students in areas of musical performance, dance, design, technical production, theatre management and public relations, and added, "It's an excellent way for our students to gain practical experience in their field!"

The summer theatre program has grown increasingly popular over the past few years according to Dr. Charles Kline, chairperson of the theatre department. Kline said, "The significance of its contribution to the total cultural atmosphere of the campus and the community is demonstrated by our audience attendance as well as by the number of people who actively participate in the productions." Last summer, the group presented week long runs of "The Fantasticks" and "Guys and Dolls."

## ALUMNI BOARD APPROVES INTERNSHIP PROGRAM, HEARS ADMISSIONS REPORT

At the annual spring meeting this weekend, the Plattsburgh Alumni Association Board of Directors, approved the development of an internship program. The program will place students with alumni during the summer months in jobs related to the students' major fields of study.

Admissions Director David Truax addressed the board on the subject of the Alumni Admissions Program and the important role that alumni leaders play in College Night Programs. Truax said that alumni participated in 12 of the 48 College Night Programs attended by Plattsburgh staffers around the state this year.

In other action, the board commissioned a portrait of Dr. Edward Redcay to be painted by Tom Holland, associate professor of art, and unveiled at the fall Homecoming Weekend. The board also agreed to jointly purchase, with the Student Association, diploma covers to be presented to all graduating seniors.

#### PUTNAM/HALE PAPERS DONATED TO LIBRARY

The papers of Cora Putnam Hale and Helen Cordelia Putnam were donated to the Special Collection of the Feinberg Library this week. The papers were donated by Mrs. Beulah Deming, largely through the efforts of Dr. and Mrs. Gene Link.

Mrs. Hale was a local philanthropist and longtime resident of Elizabethtown. She assisted many area students financially in pursuing a college education. Her sister was a doctor in Providence, Rhode Island in the early 1900's. Joseph Swinyer of Special Collections explained that the papers are significant from both a local history and a feminist viewpoint. A reception was held for Mrs. Deming on Tuesday.

#### FACULTY SENATE ORGANIZES, HOWARD MILLER ELECTED CHAIRPERSON

At the organizational meeting of the 1982-83 Faculty Senate last week, Dr. Howard Miller was elected chairperson. Dr. John Myers was elected vice chairperson and Dr. Charles Mitchell was re-elected for another term as secretary. Drs. Marilyn Chase and Hilton Heming will serve on the executive committee; Drs. William Culver and Ronald Davis were elected to membership on the standing committee for faculty affairs; and Dr. John Myers will chair the resources and planning committee.

Several new senators have been elected by various divisions of the college. They are: Terry Plum (Library); Drs. Ki Schin, Malcolm Fairweather, Venice Sakell, and Daphne Kutzer (Arts and Science); and Drs. Herman Doh and Ann Hasting (At Large Senators). Several other divisional elections have not been completed.

#### FACULTY ASSOCIATION ORGANIZING FOR NEW YEAR, ELECTS MOLL CHAIRMAN

At an organizational meeting last week, Robert Moll was elected Chairperson of the Faculty Association. Other officers elected were Gerald Kokoszka, vice chairperson; Derek Allan, secretary; and Bernard Seawell, treasurer.

Moll said after the meeting that the group would like to expand its membership this year and is planning a variety of activities to appeal to more people. In addition to offering boat moorings for a nominal cost, the association plans to purchase a corporate membership for golfing at Bluff Point. A trip to an Expo baseball game and a picnic/dance are planned for the summer. Moll said the group is also working on holding a New Year's Eve party next winter on campus.

Membership in the association is \$5 per faculty member. Checks may be sent to any of the four officers.

#### INTERN SPONSORS AND SUPERVISORS HONORED AT RECEPTION

Community agency supervisors and faculty sponsors of Plattsburgh State interns for the 1981-82 academic year were honored at a reception hosted by President Joseph Burke on May 5 in the Cardinal Lounge. Approximately 300 students were involved in some form of internship activity during the year. Ninety-one community agencies, 18 on-campus offices and departments, and 34 faculty sponsors from 13 different departments were invited to the reception.

## weekly notes

**Dr. Eloise Law**, professor of home economics, has been selected by the Joint Council on Economic Education to participate in the 1982 Northeastern Consumer Economics Institute. . . **Dr. John L. Meyer**, professor of communications, has had a busy spring. Meyer attended the International Listening Association Conference in early May and delivered a paper on "CLOZE Procedure: A Tool for the Measurement and Teaching of Listening." ## BUSINESS/CORPORATE DRIVE KICKS OFF; GOAL SET AT \$65,000

More than 30 community volunteers, representing businesses throughout the area, gathered at the College last Thursday to kick off the Plattsburgh College Foundation's 1982 Business/Corporate campaign in support of student scholarships.

The goal for this year's drive is \$65,000 according to Curtis E. Shipman, chairman of the Foundation's Annual Giving Program. Spearheading the campaign are Harry E. Mowry, vice president, Bindery Systems Division, Harris Corp.; Martin D. Mannix, Jr., vice president, Northern Insuring Agency; and Barbara Murray, vice president, Champlain Valley Electric Supply.

Mowry

Mannix

Murray

Last year's Business/Corporate campaign contributions increased 57 percent over the previous year, with a record \$49,665 in gifts as 55 new contributors joined the Foundation's family of supporters.

The 1981 campaign won an "outstanding fund-raising program award" from SUNY's Association of Campus-Related Foundations. The award cited the Foundation's program as among the most imaginative and progressive in the University's 64-campus system.

## FIVE FACULTY MEMBERS ANNOUNCE RETIREMENT

Five faculty members with a total of 93 years at Plattsburgh State between them have announced their upcoming retirements. They are Charlotte Donaldson, Dorothy Hennessy, Dr. John Hunt, Dr. Karl Kramer, and Dr. Philip Walker.

Charlotte Donaldson joined the Plattsburgh faculty in 1966 as an assistant librarian in Feinberg Library. In 1974, she became coordinator of the Curriculum Materials Center in the Comprehensive Education Center, and has served in that capacity since that time.

Dorothy Hennessy, lecturer in home economics education, was appointed to the faculty in 1948. She resigned in 1956 but returned after raising four children. She teaches courses in fabric, fashion, and clothing design and construction. She has also had a long-time interest in the College's historical costume collection.

Dr. John Hunt, professor of education at the College since 1954, has done considerable research in the area of African studies and has published numerous articles on various aspects of education.

Dr. Karl Kramer, associate professor of education, was appointed to the faculty of the Educational Research and Development Center in 1969. He is presently coordinator of the Competency Based Teacher Education Program and coordinator of the audio-visual program at the Campus School. He also teaches shop at the Campus School.

Dr. Philip Walker, professor of biological sciences, is well known on and off campus for his expertise in botany. He has served 32 years on the Plattsburgh faculty and has been vice president of the Student-Faculty Association and a member of the SUNY Senate. He was one of the two men principally responsible for the development of Twin Valleys.

## FRESHMAN DEPOSITS BEING RECEIVED AT HIGHEST RATE IN FIVE YEARS

Deposits for the fall semester have been received from 1,068 incoming freshmen, or 96% of the fall, 1982 goal, according to Admissions Director David Truax. Truax said this week that as of Friday, May 7, 6,428 applications had been processed, just 39 fewer than last year, despite predictions of a declining applicant pool. Admission was offered to 3,700 of those applicants, 7 fewer than last year. Acceptances of admission offers to transfer students are also running very close to last year's figures, Truax said. Deposits have been received from 450 students, which is 66% of the goal of 720. Truax said that deposits from transfer applicants traditionally lag behind freshmen deposits, and added that last year at this time the rate of admission acceptances stood at 65%.

Truax said he expects that the quality of the incoming students will be at least as high, if not slightly higher, than last year. He added that Plattsburgh is doing very well when compared with other SUNY units. As of May 1, Truax said, two university centers had to turn to their waiting lists, while all of the agricultural and technical units, as well as several of the arts and science colleges, were also well behind last year's figures.

# Good Luck Class of '82

### COLLEGE MAINTAINS POSITION IN GRANT ACTIVITIES

Plattsburgh maintained the number three position among the SUNY arts and science colleges relative to grant money expenditures for the period July 1, 1981 through March 31, 1982, according to a report by Dr. Paul Roman, Dean of Graduate Studies and Research. Roman said the amount spent on campus during this period was \$675,575, which is 16% less than in the preceding year for the same time period.

Roman said the College was also number three in both applications submitted (24) and in dollar amount requested (\$1,683,000). In addition, Plattsburgh remained number two in respect to indirect costs recovery rate.

### THEATRE DEPARTMENT CHARTERS CAMPUS CHAPTER OF NATIONAL HONOR SOCIETY

The College's theatre department has organized a campus chapter of Alpha Psi Omega, the national honorary theatre society, and fourteen theatre majors have been inducted as charter members. Dr. Charles Kline, department chairperson, explained that students qualify for membership in the society by participating as key technical personnel, and/or in leading roles "and always as creative and dedicated artists in our mainstages and student directed Brown-Bag programs." The charter members of the honor society are: E. Marie Barber (also vice president), Cynthia Boadway, Elizabeth Conley, Judith Knott, Steven Mackesy, Karen Merritt, Gary Mitchell, Steven Miller (secretary/treasurer), Andrew Oyaas, Kenneth Roberts (president), Kevin Russell, Kevin John Saylor, Janet Walsh, and Lenore Wright. Marc Rubinstein is faculty advisor to the group.

### NURSING DEPARTMENT SCHEDULES CONVOCATION AND BANQUET

The Nursing Department will present pins to 83 graduating seniors at the Nursing Convocation to be held Saturday, May 15 at 2 p.m. in Hawkins Hall Auditorium. Dr. Janet Brown Nowak, a 1966 nursing graduate, will deliver the convocation address. Dr. Nowak is now an associate professor at Villanova University College of Nursing. A banquet honoring the nursing graduates will be held at 6 p.m. in Ballroom B. The banquet is open to the college community and tickets are \$8.75. Virginia Dinsmore, assistant professor of nursing, will be the main speaker.

### THEATRE DEPARTMENT ANNOUNCES STUDENT HONORS

Three theatre majors were honored recently with awards from the College Foundation. Gary Mitchell won the Barbara Davis Award for Excellence in Theatre. Steven Miller and Kenneth Roberts were named winners of the Patrons Awards for Excellence in Theatre. Miller has been awarded a \$5,000 assistantship in costume design at Illinois State University and will spend the summer as an assistant costume designer for the Illinois Shakespeare Festival. Roberts has accepted a position as an actor with the Festival and will play the title role in "Oedipus the King," which was recently presented on campus.

In addition to these awards, chairperson Dr. Charles Kline announced that Michael Boyle '77, has been awarded a \$5,000 assistantship to attend the Yale School of Drama in the field of technical design and production. Boyle has been the S.A. technical director on campus since 1977.
